CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 20

PRESIDENT'S PERSPECTIVE DECEMBER 1987

Congratulations to all of our newly elected and re-elected officers. I want to thank everyone for their vote of confidence. Remember the officers are here to serve the members. If you have any questions or suggestions contact one of the officers; they will be glad to help. I know that we all are looking forward to 1988 with continued success over the previous years. **A REMINDER:** Everyone's dues of \$18.00 are payable the first of Jan. 1988. This is the first year of having only one payment date in January. We should be better able to budget our expenses and plan our events. Let's all get them in on time.

I would like you all to be thinking about activities and events that would encourage your interest and participation. Finalization of the events calendar for the coming year should occur in January, February at the latest.

It is time to form our 1988 committees. Anyone interested in being a chairperson for our various committees, please let your wishes be known. I would like everything to be in place by Jan. So let me hear from you soon.

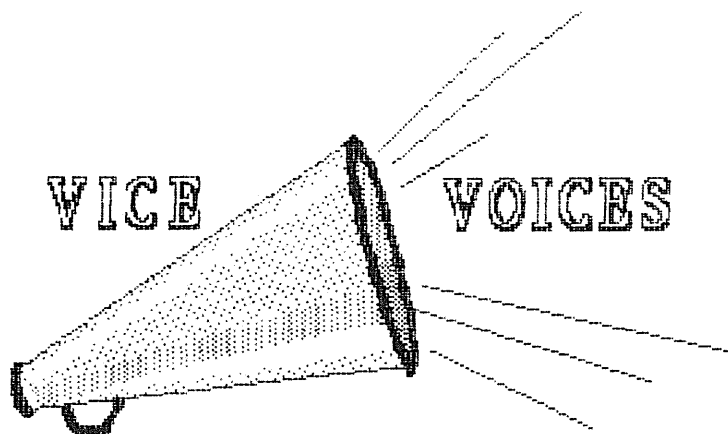

As I read different letters and articles in magazines and read other club's newsletters, I find that there is a

paradoxical situation that seems to exist in all Mustang clubs. On one hand, Ford very successfully directed the marketing of Mustang to the individualist, the free spirit. Own a car with special appeal, that out-of-the-ordinary, unique car; something that can express your style. Belonging to a "club" is basically contradictory to those independent Mustangers with personalized cars. Keeping a car completely unchanged, just as it came from the factory, doesn't allow for a Mustanger's personality to be incorporated into the interior, under the hood or body features.

This helps to explain where the trouble surfaces when judging rules are outlined. Some say factory exact, some say enhancements are better than factory and yet others prefer extensive embellishments to their cars. The trick is to create judging rules for clubs with a variety of members to serve as an umbrella for the range of styles and tastes without conflict. To date I don't feel we have discovered the secret judging formula, I'm certainly open to suggestions.

We are about to enter our 4th year and with that comes new challenges. If we all work together to meet the new year, we will surely rise to even greater club success and personal satisfaction.

CVMC JUDGING COMMITTEE NEEDS YOUR HELP

The CVMC Judging Committee will meet soon to make revisions and improvements to our judging rules and procedures for the 1988 CVMC Classic Car Calvacade.

In order to serve you better, the committee would like input from Club members; ideas, suggestions, comments, and complaints.

In addition, we need volunteers as show car judges. This is a good opportunity to participate in our Club's "Main Event". Call or write to:

WHITE POST
CELEBRATES '87

Whitepost Celebrates '87 turned out to be all it was advertized to be and more! Some were calling it the ultimate car show of the year and the best event they had attended for quite some time. Whether you like foreign or domestic, old or new, big or small, restored or original, Whitepost probably had your dream car on display the weekend of October 17th.

For those who tired of strolling the rows and hillsides of over 500 cars, there was an informative tour of the restoration facilities, a professional aerobatics show with skydivers, Virginia Giant monster 4-wheel drive truck, craft displays, an indian/pioneer encampment with dancing and authentic implements, steam engines, military fife, bugle and drum corps, Miss Virginia and so much more.

If you were hungry, there were delicious pit cooked hamburgers, hot dogs, BBQ beans and complete dinners. Fresh tea, lemonade, cider and your favorite softdrinks flowed freely. There was a variety of delicious homemade pies, cakes and pasteries.

The weekend began early for many Club members who took off from Richmond Friday afternoon to enjoy the three hour trip to Winchester. The fall colors were beginning to peak through the Virginia countryside. The mountain air was crisp and clear. Those who arrived Friday evening stayed at the Travelodge. Monte & Judy Evans, Carolyn & Mike Timms, Tina Fritz, Darrell Andrews & Doug Trammell, Mike Walker, Terry Wagner all prowled the lobby and parking lot admiring the cars assembling for Saturday's show.

Saturday dawned early for some of the Club members who insisted on being at Whitepost by 7AM. Others struggled out of bed and made it to the show site by 9:30AM. By 10AM those who had left Richmond Saturday morning began arriving. Kenny & Nellie Fischer, Carroll & Dorothy Lipscombe, Betty Wilson and Max, Bonnie Fischer, David & Bernice Lipscombe and son, Butch Williamson & Donna Seay, Bill Thompson, Earl Morris... such a crowd. You could readily identify your Club from our jackets, however, there were Mustangers from all the Virginia Clubs proudly sporting there own Club jackets, caps and tee-shirts. Old friendships were renewed and several new ones were begun.

1988 CVMC CLUB SURVEY

In this Club, opinions are like Mustangs,
- - everyone's got one.

Every so often (one other time to be exact in Feb. '86) the CVMC does a membership survey. The survey is being formulated for 1988.

Are there questions that you can think of that surveying the entire membership would help in directing the Club? Have you been a chairman of a committee and like the Club's response in formulating a better plan for your committee this coming year? Have you been on the Board of Directors and like to have the Club's opinion on a business matter?

Submit your requests or half-baked thoughts to Tina Fritz so they can be incorporated in this survey.

Hurry now, we would like this survey to be in the next newsletter, so we can tally the results and reap some benefits from it.

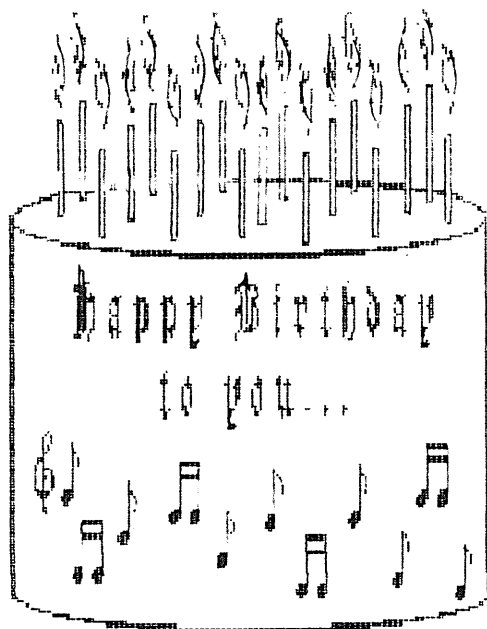

~~~~~  
Of all types of cars at the show, Mustangs dominated more than any other model. CVMC members outnumbered any other group attending and appeared to be having the best time (as usual).

Whitepost, named for a "White Post" placed in the center of town when George Washington surveyed the area, has 200 residents. It's a very small, quaint and hospitable town. The grounds around the restoration shop were very clean and had huge old sprawling shade trees outlining crop fields and grassy knolls. The early vintage cars looked right at home putting down the single lane main street of Whitepost.

There was no judging or competitions. This was a display only weekend with the food and cookbook proceeds going to the Whitepost Ladies Auxiliary.

Saturday's festivities were topped off with fireworks and a gaslight cruise. Sunday morning everyone was invited to an early pancake breakfast and blueridge tour. Those Club members that stayed over Saturday night enjoyed a late hearty breakfast together Sunday morning and ventured out on their own mountain tour.

If Whitepost decides to host an '88 Celebration, its worth your time and effort to plan a leisurly mountain weekend of friends, fun and fords next October.

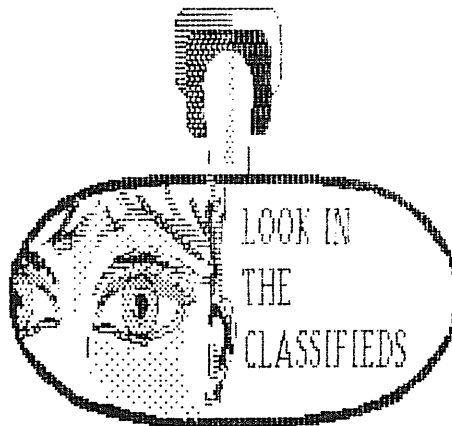

**Birthday wishes for members celebrating their birthday's in December.**

## WINTERIZATION INSIDE & OUT

- PART 1 -

### GARAGE KEPT CARS

EXTERIOR: Wash car and put a good protectant, such as #2 McQuires Resale & Glaze. Do not use wax at all on your car. Wax will destroy the paint (trust me on this).

TIRES: Check inflation monthly. Original tires should be jacked up off the ground to prevent settling and cracking. Armour All for protection. Let it soak in and do not wipe off for 1 hour. Re-soak and wipe off excess 1 hour later.

ENGINE COMPARTMENT: Spray all parts with WD-40 or Armour All to protect from moisture.

INTERIOR: Clean with good cleaner such as Fantastic or Vinyl Cleaner. Silicone or Armour All vinyl, do not wipe off for 1 hour. Repeat with protectant and wait another hour to wipe off. I like to leave a good coat of Armour All on all vinyl then thru the Winter to stop cracking. Clean all chrome with a good chrome cleaner.

Armour All or spray with WD-40 for max protection. SUSPENSION: Degrease if desired. Spray with WD-40 or Armour All. Let drip; the more the better for good protection.

CAR COVER: A dust cover is all that is needed.

DRIVE YOUR CAR: At least once a month, check fluid levels before you drive. Watch for leaks on the floor.

- PART 2 -

### CARS KEPT OUTSIDE

EXTERIOR: Wash weekly if possible. Do not use wax for this will cause paint failure. Wash wheel wells and rinse all jams thoroughly. I personally like to rinse the underside of my car, knocking off mud and dirt. Dirt, if left underneath your car will begin to lift paint and cause rust out.

ENGINE COMPARTMENT:

Grease in an engine compartment is the best protection, however it looks bad. Degrease engine compartment thoroughly; coat with WD-40 or Armour All.

INTERIOR: Clean interior thoroughly with vinyl cleaner or a household cleaner such as Fantastic. Silicone or Armour All all vinyl. Do not wipe off, let soak to protect vinyl from Winter temperatures. Remember, cold cracks plastic and vinyl. Protectants will keep it

soft. Use chrome cleaner on chrome. Spray with WD-40 to protect clean chrome.

SUSPENSION: Leave grease buildup on suspension and add WD-40 after thoroughly rinsing with strong stream of water. If you degrease suspension, spray with WD-40 to keep rust from forming. Some of the best preserved suspensions I have seen had grease on them since they were new.

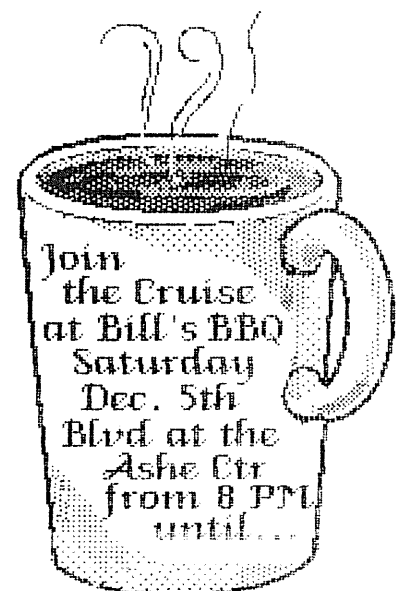

CAR COVER: Consult local Club members for advice. A nice cover will cost \$120. Don't use plastic or tarps, they hold moisture and cause bad rust.

DRIVE YOUR CAR: Drive a couple of miles each month to keep lubricants from settling. Always check fluids before driving and watch for leaks under car.

If you have any questions call 222-8481 (days only).

RICK NOCHTA

# Minutes Of Oct. 7th and Nov. 4th, 1987

The October meeting of the CYMC was called to order at Richmond Ford on October 7, 1987 at 7:30 p.m.

Bob Leipertz, Treasurer stated that the balance in the treasury was \$1,273.00 as of September 30th. Bob handed out and explained a list of expenses and income for the car show. Membership was 134.

Committee members were called on to report. Bill Hall advised nothing to report on the Archives.

Trophies not presented at the car show will go to Bill Thompson.

A discussion was held on the planned trip to White Post.

Monty Evans advised that the Z28 Club had invited us to join their club on a mountain bus trip Oct. 26. If interested, contact Monty.

Warren Wright reminded everyone of the cruise Sat. night.

Monty Evans advised the club that there were a lot of cars every Friday and Saturday night at Bill's.

Barbara Evans advised she had lots of drinks, door prizes, etc.

A discussion was held as to what to do with the hot dogs left from the car show. No decision was made.

Tina Fritz advised she was still looking for a editor for the newsletter. It was noted under old business that another meeting place hadn't found.

Brenda Jones advised that local car care businessmen in the area were sponsoring a Car Care show at Richmond Technical Center.

Brenda Jones shared her video tape of the CYMC car show.

After the tape, Barbara Evans was nominated Chairman of the Nominating Committee. She would be in charge of contacting people interested in running for '88 offices.

Carroll Lipscombe advised he would be calling a judges meeting

soon to discuss rules and judging changes for next year's show.

\*\*\*\*\*

The November meeting of the CYMC was called to order at Richmond Ford on Nov. 4th at 7:30 p.m. by President, Terry Wagner.

Barbara Evans asked if anyone else was interested in running for office. There was no response. Donna Seay, Sec. asked that her name be removed from the ballot. Ballots were handed out for members to vote and return to Barbara.

Nellie Fischer advised that she had club shirts and mirrors for sale.

Monty Evans, NASCAR & Speaker Chairman, advised that there was no speaker for the meeting. He also advised that Dale Earnhart had clinched the '87 championship with 2 races to go. He also noted that Bill Elliott had won the last 2 races.

It was noted that, possibly, Ford would be coming out with a 25th Anniversary Mustang.

Mike Timms, Membership Chairman advised anyone with a change of address to contact him.

Barbara Evans advised she had a Ford book and stereo headset radio for door prizes.

Bob Leipertz gave the Treasurer's report with a balance of \$1,214.00 and 125 members.

Carroll Lipscombe advised that he would call a judging meeting in the next 10 days.

Monty Evans advised that we had received info for the St. Patrick's Day Parade, Sun. Mar. 13, 1988. Interested parties should contact Monty or Carroll for details.

Tina Fritz asked the club if they would like to put an ad in the newspaper or trading post to

advertise the Club. A discussion followed, and it was decided to do so.

Jeff Miller advised he can get a lower price than retail on Firestone tires at Regency Sq. Show membership card and receive discount.

An open discussion was held on having a Xmas Party. The party will be held Sun. Dec. 20th at Bon Air Comm. Ctr. 2:00 p.m. until, BYOB. Each couple should bring a covered dish. Hot dogs left from the car show will be provided by the Club. It was decided that an alcohol permit would be obtained. The Xmas Party Comm. (Kenny & Nellie Fischer, Barbara Evans) was established.

A question was brought up from the floor concerning a mall show in the future. Kenny Fischer advised he would check into the possibility. Kenny also noted that Tony Ingram would not have an indoor show this year; however, there may be another indoor show coming up in Jan. He will keep us posted.

A discussion was held on activities that members would like to see the Club hold. Suggestions included a caravan to a NASCAR track and another rally.

A discussion was held on changing the CYMC Car Show to Aug., because our show interfered with a NASCAR race in Richmond, and the weather was more predictable in Aug., whereas in Sept. it usually rains.

It was discussed whether a Board of Directors meeting was needed before the year's end. It was decided to have a planning meeting.

It was noted that the history of the CYMC written by Tina Fritz would be published in the Dec. '87 issue of the Ford Mustang/T-Bird Buyer's Guide. To order a copy contact NETCO Publishing, P.O. Box 3156, Bloomington, IL 61702 or call (309) 829-5214.

The drawing was held with Al Azzarone & Mustang Bill winners.

For election results refer to pg. 7/this issue. Since Barbara Evans will now be Treas., Darrell Andrews volunteered to do refreshments. Our next meeting will be Dec. 2nd.
