NOTE:
OUR AUGUST MEETING WILL BE HELD
AT TUCKAHOE PUBLIC LIBRARY
LOCATED AT 1901 STARLING DR.
23229 AT 7PM, AUGUST 1

A NOTE FROM THE PRESIDENT

I hope you are enjoying your summer and lately, trying to stay dry! As a club, we participated in the Beaverdam parade and a cruise-in at Ft. Lee on July 4th. We had the Mission BBQ cruise-in on Jul 14th and free Brewster's ice cream every Thursday.

In August, we are planning a Horton winery cruise, a Carolina Ale House cruise-in on Aug 17th, and more free ice cream every Thursday. On Aug 11th, we have the Mission BBQ cruise-in from 5-8 pm!

Congratulations to MCA Georgia National Show trophy winners! The show was held on May 25, 2018 – Sunday May 27, 2018.

Sharon Hazelgrove appeared on page 24 in the July 2018 issue of Mustang Times! For Sharon, the MCA Georgia National Show was her first ever MCA national competition in which she took Gold in the Occasionally Driven class. Other winners that weekend were: Tony Hall-Gold, David & Laurie Deusebio-Gold, and Robin Reese-Gold.

To date, we have 34 registrations for the fall show scheduled for September 15, 2018. As a reminder, this show is pre-registered only. Get those registrations in! Also consider placing you or your company's name on a trophy, for \$100 you can make it happen. A portion of the proceeds will go to VCU Parkinson and Movement Disorders Center. Volunteers will be needed for goody bag night, Wednesday (Sep 12), Friday setup, and during the show. If you need a volunteer t-shirt please see me, Kathy McWilliams or email me at president@centralvamustang.com. For show questions, please see Ben Bruno or email him at show@centralvamustang.com

The events list is current, be sure to check out the [Google online calendar](#), our [Facebook](#) page, and the newsletter for details.

MCA REPORT

July 31st was the deadline for those individuals seeking nominations for MCA's Board of Directors which had to be at Headquarters in Pensacola, Florida. Mustang Times will have their bios and pictures published in the September issue.

Last week I received the following email MCA Headquarters:

Congratulations!! Your club has been awarded the 2017 Presidents award. Nanette Stanley, Sandy Robbins, and Mike Peyton did a fantastic job repairing CVMC's membership list which saved me many hours of work. This year I spent about 16 hours researching the entire membership list looking for and then creating the required list for 65 new CVMC members and finding 8 new MCA members. Both required lists were placed in different sections of the application. Only their name, CVMC and MCA numbers were on that list. Preparation of the required documentation and Post Office submission of the application to Florida took another 3 or so hours.

August 31 to September 2 is MCA's Grand National show called "Granite State" in Merrimack, New Hampshire at the Anheuser-Busch Brewery. Registration is on [Motosho](http://www.motosho.com) at www.motosho.com. Also in July's issue of Mustang Times are pictures of their National show in 2006, page 82.

The walls and 2nd floor of the "Mustang Owner's Museum" are complete. The Museum drone pictures looked very impressive.

In 2019 Ford Motor Company will not sponsor a Mustang 55th year birthday celebration. Instead there will be a "Mustang 55th" year event at the Grand Opening of the "Mustang Owner's Museum" from April 17th to 20th. On the same date the Museum will be hosting an "a 55 Years of the Mustang" event at the Charlotte Motor Speedway. Hotel reservations for this event are now available by going to info@mustangownersmuseum.com. As expected, the Host hotel Hilton Hampton Inn, Comfort Suites and Sleep Inn are all sold out. As other hotels sell out additional hotels will be added. Unfortunately, the new hotels will be further away (perhaps 10 or more miles) from the event. If any of you are planning on going to the "Mustang 55th" at the Museum and speedway, make your hotel reservations early as the hotels around the Museum site are filling up fast. If something comes up that you cannot attend you can always cancel your hotel reservations within the time limits stated on your reservation, usually within 48 hours. Another link to make hotel reservations is www.mustangownersmuseum.com. Since these events are not an MCA show registration thru Motosho will **NOT** be available.

The September 15th fall show at Bass Pro Shops is available for you to register using Motosho at www.motosho.com. The show is now published in Mustang Times. For our new members there were several articles in "Mustang Times" on the ease of using their system and what Motosho can do for registering in future MCA or other shows. These articles were listed in March's newsletter, available on CVMC's website listed under Newsletters.

In July's issue of "Mustang Times" is a terrific article on MCAs National show, last May, "George on My Mind", pages 14 to 28 with lots pictures. I found 5 CVMC members listed in the awards listing and a picture of CVMC member Sharon Hazelgrove and her beautiful 1970 Mach

1, page 24. Congratulations to all. Those members working on their Grille Medallion award the application form is on page 71. Another excellent story with photos is on the rare 1978 Mustang King Cobra pages 44 to 48. Very few of these beauties show up at today's Mustang shows.

For our new members you can join MCA on line. There are 3 different tier levels which are discussed at MCA's website www.mustang.org. When you join please email me at (mcadirector@centralvamustang.com) or Mike Peyton (membership@centralvamustang.com). CVMC needs your name and MCA number because your membership counts toward MCA's Presidents award. (There are hundreds of MCA Mustang Clubs yet only a few clubs receive the prestigious Presidents award.) As a member you receive "Mustang Times" magazine, which is included with your membership and NOT available on newsstands or anywhere else. You can also advertise your Mustang or Mustang parts at no charge on pages 76 to 79. Take a look at the last inside page for pictures of MCA shows from a few years ago; you may see your picture there.

Also in July/August issue of AAAWorld magazine is an interesting article and pictures on Detroit's August "Woodward Dream Cruise", page 34 to 37.

As always check our newsletter and face book websites for upcoming activities in our area.

COMPETING IN AN MCA NATIONAL

Most everyone in Car clubs have a pretty good idea on how to keep the exterior of the Show Cars looking fantastic.

There are plenty of great products to keep your ride nice and shiny and most everyone knows how to put wax on and take wax off. Everyone who has a third generation to sixth generation Mustang knows it is hard to keep that black trim looking good. I personally use "Mothers Back to Black", but an equivalent would be just as good. I normally apply it to all the exterior black plastic trim and let it sit overnight, so it can soak in. If your black trim is badly faded then you may have to apply another coat. Once it has soaked in the next thing to do is give your ride a good washing.

Once you have a good coat of wax on the exterior of your ride it will be a whole lot easier to maintain. Most of the time all you will need to wash your ride is water and towels to dry it.

Enjoy the rest of your summer and I hope to see you at a MCA National in the future.

BACK OF THE DRAGON

In June, your roving reporters joined up with the Blue Mustang Registry and a bunch of other pretty 'stangs and cruised Back of the Dragon from Tazewell to Marion, Virginia going through Hungry Mother State Park. What a gorgeous ride!

Tail of the Dragon is 11 miles long with 318 curves. Back of the Dragon boasts 438 curves and is 32 miles long. A stop at the DQ was well deserved after that drive!

August 2018 Car Hobbyist News From the Council

The car hobby lost a friend in July as Jeff Locke passed away. I met Jeff as a fellow AACA member years ago. He was a great speaker and a real wit. Jeff started the car club council movement in Virginia. He started the Car Club Council of Hampton Roads in 1991 and it was the first council in the state. The councils were started because of the state's clunker bill and hobbyists were afraid of old vehicles being destroyed so big companies could purchase pollution credits and continue polluting. Jeff ran an ad in the Richmond newspaper in 1995 for a meeting at the

Dinwiddie Motorsports Park to start a Richmond area car club council. He wanted a council in this area because decisions on which vehicles would be destroyed would be made in Richmond. This was the beginning of our CCCCVA. Jeff also started the Colonial Region of the Classic Car Club.

Jeff also founded the International Vehicle Appraisers Network. The International Vehicle Appraisers Network (I-VAN) provides professional vehicle appraisal services in a timely, objective, and affordable manner. From the I-VAN website: "Jeff Locke is a long-time auto hobbyist and a Senior Master Judge with the Antique Automobile Club of America. He is also a court-recognized expert in automobile appraisal for lemon law and insurance claims. As I-VAN's founder and chief appraiser, he is dedicated to providing the best service possible to you. Jeff has been a dedicated automotive hobbyist for over 40 years and currently serves the hobby in many varied capacities: Tour Director for the Lincoln Owners Club's (LOC) Annual Meet, Chief Judge at the statewide Annual Old Dominion Meet in Virginia, President of the Old Dominion Meet Association (ODMA) of Virginia, and Eastern Division Chairman of Regions for the Antique Automobile Club of America (AACA)."

Chesterfield County is having a public hearing on several issues July 25 (I have to write this before the 25th for a couple of newsletters). I plan on speaking at the public hearing on the antique vehicle tax. Years ago the General Assembly changed the law to stop the assessing and taxing of vehicles registered as antiques. Somehow Chesterfield County missed this and after the council found out we contacted Board of Supervisor Steve Elswick and he worked on making this change. Elswick says the votes are there to update the county code. If you live in Chesterfield you know you get a property tax paper every year stating the value of your antique vehicle is \$100. The tax on

\$100 is \$3.60 or less than the \$5 the county requires to send a bill.

We discovered that antique fire trucks and other large trucks are assessed by the county at \$1000 and that is high enough to generate a bill of \$36. Since state law exempts antique vehicles we needed a change in the county code. If everything works out as expected you should not get any bill for any antique vehicle in Chesterfield beginning in 2019.

As I'm sure you know Scott Pruitt resigned from the EPA in July. He was hounded by people who did not like his stands on environmental issues such as delaying the methane rule for gasoline companies. He also apparently made some mistakes in judgement that clouded his management of the agency. His deputy Andrew Wheeler has assumed the duties of acting administrator of the EPA. It will be interesting to see who President Trump selects for the new head of the agency. That person will have to be confirmed by the Senate.
