A NOTE FROM THE PRESIDENT

I hope you are enjoying your summer and the break in the heat! As a club, we participated in the Beaverdam parade, the July Mission BBQ cruise-in, and several Brewster's cruise-ins every Thursday evenings.

A mass email was sent on Jul 24, asking for members interested in the Westminster Canterbury cruise-in on Jul 29. Please respond if you are planning to attend. Also, the Board of Director's meeting is scheduled for Jul 30th at the Pamunkey Library in Mechanicsville. In August, we will plan something indoors, yet to be announced, stay tuned. In the meantime, enjoy more free Brewster's ice cream every Thursday and the Mission BBQ cruise-in on Aug 10th, 5-8 pm!

The MCA Grand National Show is drawing closer, Aug 30-Sep 1 at the Fredericksburg Expo & Conference Center. For more information, go to <https://mcagrandnational.godaddysites.com/>. Members interested in volunteering for this show, please send me an email so I have a complete list. An email from ncrmclub@gmail.com was sent on 7/20 to volunteers the show committee has on file, if you did not receive it and plan to volunteer, I can forward to you. Your MCA Director, Dave Dickey and I will be attending a walk-through with MCA and the show committee on Sat, Jul 27 at the Expo and Conference Center. If we have anything interesting to share, we'll pass it along.

To date, we have 42 registrations for the fall show scheduled for September 14, 2019, up 8 from this time last year. As a reminder, this show is pre-registered only. Get those registrations in! Also consider placing you or your company's name on a trophy, for \$100 you can make it happen. A portion of the proceeds will go to Comfort Zone Camp and Tunnel to Towers Foundation. Volunteers will be needed for goody bag night, Wednesday (Sep 11), Friday setup, and during the show. If you need a volunteer t-shirt please see me, Kathy McWilliams or email me at president@centralvamustang.com. For

show questions, please see Ben Bruno or email him at show@centralvamustang.com

The events list is current, be sure to check out the [Google online calendar](#), our [Facebook](#) page, and the newsletter for details.

MCA REPORT

Mustang Club of America (MCA) news:

I should be getting some information on the May 11th MCA Corporate Board of Directors meeting held in Dallas, Texas.

- The 2018 Presidents award application was completed with 11 pages of the required documents sent by certified mail on 25 June to MCA Headquarters in Pensacola, Florida and delivered June 28 at 10:44 AM.
- MCA was seeking, for their Board of Director Nominations, hard-working, dedicated men and women who have the love, and energy to help make MCA the most premier car club in the world. At the end of December 2019 several Directors' terms expire. Matt Bley 221-7854 Directors for 1 of those positions are:
 - you must be a current MCA member in good standing,
 - 18 years of age before October 1
 - have at least two years of experience as a National or Regional Director.

To make your intentions known your biography of no more than 300 words, with a photo of yourself, was to be submitted to the Nominating Committee before July 15, 2019.

- Those Nominations will be published in September's Mustang Times with your picture and experiences. This year MCA will try digital voting information, check out Julys' issue of "Mustang Times" for information and instructions on page 11.

- MCA President Steve Prewitt and Show Committee Chairman Chris Waddle along with Classification Judge Patsy Brown will be in N.VA at the end of July. They will be doing a walk thru review of the plans for the Grand National show with NCRM officials and making any necessary recommendations they see. Kathy and I have been invited to participate in that review.

More Mustang News and Information.

Our 35th Bass Pro Fall Shops show posters are at the printers with the major show sponsors listed. Calls have been made for reservations and pricing for 1 – 4person golf cart. Graham Marsteller has volunteered his other golf cart. 2 portable toilets (1 regular & 1 handicap) have been reserved for delivery to Bass Pro Shops on 13 September with the same pricing as the last few years. If we have to implement a rain date pickup and redelivery will be \$40.00 each time.

Mike Peyton and I would like to have all Fall show business cards, sponsors and vendor ads materials for our program booklet to Kathy, Mike and myself by 8 August. Mike and I have already started work on the booklet. It takes many hours to put the program booklet together, get it reviewed and scheduled at the printers and back so the booklets can go into the show goodie bags.

Richmond Region Antique Auto Club of America and I want to thank the following CVMC members that volunteered to help me judge at their big 49th AACA's annual Car show and Flea Market, June 23 at St. Joseph's Villa. They were David and Laurie Deusebio, Larry Doyle, Danny Lythgoe, David Lythgoe, John Thorne, and Tommy Wilson. We had 375 show cars, 65 Swap meet vendors. The Admissions Gate Income was donated to St. Joseph's Villa. This was a show within a show because there were 24 gorgeous Concours and judged Jaguar with awards, along with AACA's judged awards to those

beautiful antique and classic cars and trucks. Many Jaguars came down from Pennsylvania

If you missed it, in June's "Mustang Times" issue is a great story on the 1,000 Mustangs that participated in the Pigeon Forge and 2019 Ponies in the Smokies show, page 34 to 38. I believe I heard that David and Laurie Deusebio attended that show. In July's issue our September 14th Bass Pro Shops Fall show is listed on page 74 and I did state, in the application submitted, this show is a Pre-registered show. There is another informative article on Motosho registration that MCA is now using for all MCA shows on page 8 and 9. The very rare 2009 Iacocca Edition Mustang #6 that was featured at the opening of the Mustang Owners Museum will be on the auction block at the Harrisburg Mecum auction, page 10. Did you know that the Lee Iacocca's Mustang was built by Galpin Ford for the 45th Anniversary of the Mustang? There were only 45 produced that most enthusiasts have heard about but never seen. The Iacocca Mustang # 6 was on display in the Mustang Owners Museum and was one of the Museum's popular vehicles. The #1 Iacocca Mustang is or was sitting in Lee Iacocca's garage. On a sad note Lee has passed away.

For our new members you can join MCA on line. There are 3 different tier levels which are discussed at MCA's website www.mustang.org. When you join MCA please email me at (mcadirectoratcentralvamustang.com) or Sandy Robbins at (membershipatcentralvamustang.com). As an MCA member you receive "Mustang Times" magazine included with your membership which is NOT available on newsstands or anywhere else. A list of National show, pages 72 to 75. You can also advertise your Mustang or Mustang parts at no charge on pages 76 to 79.

As always check our newsletter, Facebook, CVMC's events listings for any upcoming activities.

The former Warren County Sheriff is dead. As you recall Warren County deputies were writing antique registration tickets for people having passengers and personal belongings in their antique vehicles – neither of which is against the law. And these people were prosecuted, convicted and sentenced. I sent a letter on May 6 to the governor asking for an attorney general opinion to stop this miscarriage of justice – more on that later. The attorney general office and a couple of members of the General Assembly were also made aware of this – none have done anything about it. Here is some information about the late sheriff for the local news:

“Former Warren Co. sheriff found dead days after acquaintance jailed for embezzlement: Embattled former Warren County Sheriff Daniel T. McEathron, who as the Rappahannock News reported last month was among numerous county officials and entities immersed in ongoing scandals, was found deceased Tuesday, May 28, outside Front Royal, according to Virginia State Police. “At this stage of the investigation, foul play is not suspected in relation to his death. A firearm was recovered at the scene,” according to a Virginia State Police statement provided to the News.”

And more from the news:

“Jennifer McDonald, the former Front Royal-Warren County Economic Development Authority executive director,

was arrested Friday night on two felony counts of fraud and two felony counts of embezzlement, according to the Rappahannock-Shenandoah-Warren Regional Jail's website. McDonald was arrested by the Virginia State Police at 7:20 p.m. Friday and is being held without bond, according to the jail's website. The arrest comes after the EDA on March 26 filed a \$17.6 million civil embezzlement lawsuit against McDonald, developer Curt Tran, former Warren County Sheriff Daniel McEathron, Donald Poe, Justin Appleton and limited liability companies associated with those individuals."

Okay, Warren County government is a mess. You would think that the governor would do something when people are being charged with crimes that aren't really crimes. After sending the May 6 letter with no response I emailed the governor's office and got – you guessed it – no response. I then called the governor's office and spoke with someone who found my letter and stated that I should have gotten a response from the Secretary of Transportation – and again if you are guessing no response from him you're right. I told the person in the governor's office about the situation and that the secretary cannot legally ask for an attorney general opinion. I know that because years ago when Senator Kaine was governor I asked him for an AG opinion and he did that same thing. The Secretary of Transportation actually did ask the AG for an opinion and the AG responded to me with a letter saying no opinion because the secretary cannot ask for one.

The bottom line here is the people we elected to serve us and to insure that there is no miscarriage of justice have failed us. And they should be ashamed of themselves – hopefully none of them will ever be elected to office again.

And the bad government news continues with the DMV. Recently I got a yellow postcard from the DMV stating that a registration was about to expire and I

needed to renew. This was a pilot program over a couple of years and the goal was DMV saving postage. My problem was that I never got a postcard for another vehicle and the registration expired. I contacted DMV and was told it was sent in May. From my own experiences and those of others dealing with DMV I think I trust the post office more than them. So I ended up having to pay the late fee.

Here's what's important to know about these yellow postcards. I'm not the only one to have one "lost in the mail" – there were problems in Roanoke with getting these postcards to DMV customers. You need to keep tabs on when your plate stickers expire – do not count on DMV to remind you. DMV will not cut you a break if you don't get the yellow postcard – you will have to pay the \$10 late fee and hopefully you will not discover your stickers have expired when you get stopped by the police. You have only two ways to renew; no more writing a check and mailing it to DMV. You pay online and save a buck or you go to a DMV customer service center and wait and wait and wait and then you get to pay an additional \$5 for the pleasure of waiting at DMV.

The DMV commissioner thinks DMV will save \$325,000 in postage per year with this new system. I want to know what DMV is going to do with that money. Will they stop putting all trucks down on titles as "pickups"? Will they find some way to speed up the wait process at the customer service centers? Will they stop putting title numbers in place of VINs on titles and then charging people to have them corrected? Or will they stop putting the incorrect mileage on titles, incorrect type of vehicle, incorrect weight, etc. on titles? I'd really like to know.

2019 SVT SUPERFEST @ VIR July 6-7

We met at the WAWA on Hull Street Road at 7:00am. CVMC had six Mustangs and

eight club members show up. They were Jim Marr, Sharon Hazelgrove and her son Mark, Doug and Jennifer Andrews, Dennis and Sharon Moore, and Tony Hall. We left at 7:15am and travelled down Route 360 to South Boston and then on the VIR. We made pretty good time it took about two and a half hours to get there.

Once there we cleaned up the Mustangs for the Car Show and waited for the Parade Laps. Nickie and Brian Armstrong, Cherie and Alan Rolfe and Robert Doswell were tearing up the track. We all had a great time even if it was very HOT! But, hey it was July!

Hope you will join us at the next event in November!

My son, Mark, is finally back home permanently after his Indiana residence of 6 years. Since he really missed the close proximity of any beach, we decided to take a week's vacation beginning Friday, July 19th, to Key West, Florida. The awesome restaurants and nightlife are within walking distance on this small island, but there are also scooters, bicycles, and golf carts for rent. Just happened to find these Mustangs for "cruising" the streets!
