LOVE THE LAKE MARKETPLACE CAR SHOW

This event was held on Sunday, May 2nd, from 11AM to 3PM on the grounds of Pleasants Landing at Lake Anna. It was a wonderful sunny day with many people enjoying boating and riding jet skis.

All car entries were grouped and judged as indicated:

Classic Cars - typically 20 years or older.
 Custom Cars - substantially altered for performance and/or styling.
 Sports Cars - designed with an emphasis on dynamic performance.

There were definitely some beautiful and unique vehicles displayed.

Robert Doswell, one of our CVMC members, won the 1st Place Trophy in the Sports Car Category with his 2019 Corvette Stingray.

I won the 1st Place Trophy in the Classic Car Category with my 1970 Mach1.

WARSAW CAR SHOW

Ralph and I attended the Charity Show in Warsaw on May 16th. There were around 250 motorcycles and 75+ cars represented. There was no registration fee, water and lunches were provided. There were trophies and door prizes also. It was a great time had by all and over \$35,000 was raised for the little girl, Sophie's family. All donations were given to her family by the church. This was a great event. The ComPass Church on 360 is considering having a similar show for another child in October. We look forward to attending this show also. Thanks to Mike Peyton, who was not able to attend, however, gave a donation to the cause. Mike's and our donations were noted as from CVMC members.

MCA REPORT

The MCA Corporate Board of Directors meeting was held on April 2nd, 2021 in Dallas, Texas. When I receive my copy for that meeting I will report to you what was discussed and what was approved or disapproved. The agenda follows:

- Meeting opened at 9 AM with a call to order and a welcome to all National Directors, Regional Directors and guests by our President Steve Prewitt.
- Secretary Laurie Slawson had a Roll Call to check in all attending National Directors, and Regional Directors with a reading of the minutes from the January meeting with approval without objection.
- Executive Committee report was presented for discussion.
- Finance Committee Treasurers report was submitted for discussion.
- Committee reports, *with minimal time allotted*, were submitted for discussion and will be either approved or disapproved as follows: Administrative, Club Charter and Support, Driving Events, Hall of Fame, Internet, Judging, Membership and Special Events, National Shows, Nomination and Elections, Publishing, and Show Automations.
- There was a Lunch break.
- Any new Business was discussed *with a minimal time allotted*.
- The April 2021 Board of Directors meeting adjournment at 2 PM

Details of CVMC's September 18th fall show, at Bass Pro shops, have been published in MCA's "Mustang Times" magazine in their Events section. The magazine editors edited some of the information I submitted, guess it was too long.

If any CVMC members are planning on attending and judging at the June 4th and 5th Eureka Spring show in Arkansas the Eureka

club will be providing a meal for those judges on the day or days you are judging, however you must register via Motosho and or email Fran. For meal planning purposes they need to know the number of meals they will be serving so they don't run out of food. Notify me so I can supply you with all the details.

In April's issue of Mustang Times are additional changes Ford has made to their X-Plan pricing and why. The Ford car dealers, MCA, and many other companies will have to comply with these new changes listed on page 4.

Any club member contemplating running for a Board of Directors position in MCA, details are discussed in Mays' issue on page 29. Your biography and photo must be submitted by July 11, 2021. Also, in May's issue is an excellent article on how to identify the limited production of the 289 Hi-Po engines containing first-rate information with pictures, pages 50 to 55. There are other great Mustang pictures and stories along with Mustang advertising businesses.

For our new members, you can join MCA on line. There are 3 different tier levels discussed at MCA's website www.mustang.org. The official club publication "Mustang Times" is included with your membership. You can NOT purchase the magazine on any newsstand or anywhere else. When you join MCA please email me at (mcadirector@centralvamustang.com) or Sandy Robbins at (membership@centralvamustang.com). For the last 14 straight years your membership has counted towards MCA's published yearly Presidents award to our club. A picture of this award is posted on CVMC's website. As a member you can advertise your Ford parts for sale, perhaps sell your Mustang at no charge or buy another Mustang listed on pages 76 to 79.

As always check our newsletter, Facebook, Car Club Council of Central Virginia (CCCCVA) and CVMC events calendar for any upcoming activities.

Keep your distances, wear your mask, and wash your hands often to stay healthy.
