PRESIDENT'S MESSAGE

Welcome May! As we are aware of events, we'll post them on the Google online [calendar](#), our [Facebook](#) page, the newsletter, and a one page events list at www.centralvamustang.com/events.pdf. The events list is great to spread the word about the club and plan your weekends! Print off a few and hand them out to potential members. CVMC is an active club! I hope you take advantage of a few of the events, fun is guaranteed!

National Ford Mustang Day – Parrish Ford Twelve CVMC Mustangs participated with a gorgeous day! A few other Mustangs arrived and are planning to join CVMC! I appreciated the time to talk to a few of our newest members! Parrish Ford was extremely pleased with our participation. We were able to see the Mach-E in person, receive a brief overview of the Mach-E, and ask questions. Parrish Ford provided coffee, donuts, and a few Mustang giveaways. They plan to hold the event again next year and make it even bigger! We stayed a few hours and 6 Mustangs headed to a cute restaurant

called [The Feed Store](#), 2030 Broad St Rd, Maidens, VA 23102. Everyone enjoyed their BBQ, Graham and I had a brisket burger, good stuff! I would go back!

THE HAPPENINGS!

It's no secret that we've all been restless as just nothing car related has been happening in a very long time. So let me tell you, we made up for it in April. We shined up those ponies and fun was to be had. Read on to see what the gang has been up to. Be prepared – there is more to come! Just can't keep a good pony lover down for too long.

A VERY SPECIAL EVENT

We were asked on the web page if we could provide a convertible to transport a young lady to her quinceanera on April 24th. This afternoon, despite the rain, I brought Miss Ivy Illias to Varina from Prince George for her big day. It was an honor to be part of it.

HERE'S TO THE 45TH!

MCA started their post Covid-19 Come back in style. They held a MCA 45th Anniversary and National at Road Atlanta just north of Atlanta, Georgia, April 2nd to the 4th. They set the limits of Show Cars to 350. I believe they came very close to that number especially when you include the on track people. The weather was cool in the mornings and bright and sunny every day of the show.

There were no banquets or guest speakers but everyone looked to be very happy to be at a national again. Friday and Saturday evenings at 5:00 pm they held Parade Laps around the track, that's always lots of fun.

I talked to at least 5 people who said they are coming to the CVMC Fall Show at Bass Pro Shops so hopefully we will have a big show in the Fall.

Robin Reese and myself were the only ones from CVMC at the show. Robin got Gold in the Modified Class with her 2003 GT, I got Gold in the Daily Driver Class with my 2006 GT.

Everyone attending had a great time and I look forward to my next National and I hope you will join me.

NATIONAL MUSTANG DAY WEEKEND AT VIRGINIA INTERNATIONAL RACEWAY

On Saturday April 17th, National Mustang Day, our group met quite early on a chilly morning at the WAWA on Hull Street near Winterpock Road.

There were several new people among us, hopefully perspective club members. Doug, a fellow CVMC member in his 2003 Cobra Terminator, led the 9 cars "not so quietly" out the parking lot for our cruise down to the racetrack.

The weather had turned progressively warmer upon reaching our destination. Once there and parked in the designated Car Show area, we met other club members who had arrived earlier. This entire display of absolutely beautiful "high performance" Mustangs was truly awesome! The noise generated, when the various Groups were called for their turn on the track, is a sound that every car hobby enthusiast loves to hear. Finally, it was our time for heading out to line up at the Staging Area.

With hand firmly gripping the right shifter, here we go!!!

THE DRAGON

In mid-April your roving reporters took to the mountains. We headed to the Appalachian Mountains and cruised from Marion to Tazewell on Back of the Dragon. This is our second trek on this route. Three mountain ranges – 400 curves covering 32 miles. Those hills are just gorgeous and the day couldn't have been prettier. Before really getting into the main part of the route, we stopped at Hungry Mother State Park and ate lunch – Note: BIG mistake. Next time we will eat afterwards.....

MCA REPORT

Ford's Motor Company's discount car purchase available under the X-PLAN has changed. Complete details of the changes can be found in Steve Prewitt "Driver's Seat" club message in April's issue of Mustang Times on page 4.

I received the following draft from the January 16th first Corporate Board of Directors meeting in 2021 via teleconference:

- The President, Steve Prewitt, called the meeting to order at 12:00 PM and welcomed all board members. Roll call was taken by Laurie Slawson resulting in 29 National Board of Director in attendance and 1 board member absent which meant a quorum was present for the meeting. No Regional Directors were present. Membership increased 35% as a result of the New Ford Bronco introduction and the Ford X-Plan.
- FINANCIAL REPORT: The Bank combined asset business checking, High Yield saving and special events' have been all accounted for and is complete except for checks written that have not cleared the bank. The Club is in great financial condition. Annual committee budgets for 2021 were approved without objection
- EXECUTIVE COMMITTEE REPORT:

- The Motosho contract was approved with no increase in cost with a large increase in coverage. Heartland Motorsports driving event in October was approved. The 45th Anniversary event was approved for April. The following appointments by MCA President Steve Prewitt were made via motion: Parliamentarian (Jim Keenan); Sergeant of Arms (Randy Weldon); Historian (Eric Tucker); Publisher (Jim Keenan); and National Head Judges (Billy Henson and Dan Trapp). Motion was passed without objection
- COMMITTEE REPORTS:
- *Administrative* – discussed all contracts that are up for renewal in 2021. Current Office Managers contract is under development and will be presented for approval at the April meeting.
- *Driving events* – 2020 events were discussed and upcoming events and programs for 2021 were discussed.
- *Insurance* – all club show liability insurance is in place for 2021 with new input via articles from Heacock Insurance Company. They are also proposing to offer track insurance for individuals.
- *Judging* – All judging tests are now on line. Certified judging has been ongoing with 47 individuals passing the test. Certificates will be presented this year. The current allotted number of judged Mustang for the 45th Anniversary is 250. Also check your March issue of “Mustang Times” as *MCA expired Gold Cards cannot be renewed by mail any more. Details are on page 8 in Marches issue of “Mustang Times”.*
- *Marketing* – Discussed the Mecum sponsorship and the move of the Mustang Museum and our current contract with them. The annual cost will be reduced from \$15,000.00 to \$5,000.00 a year due to decreased size and the museum will now give a \$2.00 discount to MCA members.
- *Membership/Special Events* – Current membership count is 19,007. Some committee members will be attending national shows and several other large non-MCA shows this year with membership information.
- *National Shows for 2021* – Eureka Spring, Arkansas; Overland Park, Kansas; Mustang, Oklahoma; and Tucson, Arizona are approved for this year. 2022 National shows – Florence, South Carolina; Suisun City,

California; Buffalo, New York; and the Grand National in Evans, Georgia are approved for 2022. NOTE: Judging points at the 2021 Tucson show for special awards will be carried over to 2022. Motion for all shows was passed without objection.

- *Nominations/Elections* – Lifetime achievement award was passed without objection to Jack and Grace Bosis.
- *Show Automation* will be using the same contract in 2021 which allows Region Shows to use Motosho

The next Corporate 2021 meetings are scheduled to take place on April 24 in Dallas, Texas; July 10 in Dallas, Texas; and October is to be determined. With no further new business to discuss the meeting was adjourned at 2:17 PM.

Two CVMC members, Tony Hall and Robin Reese attended the 45th *Anniversary Celebration* at Road Atlanta raceway, Braselton, Georgia and both their Mustangs earned Gold awards. Congratulations to both.

If any of you are looking for a rare part for your Mustang you can probably find it at the Carlisle Ford National show. Back in 1995 I needed a Ford original 1 piece exhaust and tail pipe with the required resonator, for MCA’s concours driven judging category for my 1967 6 cylinder A/T Mustang. The complete, original, welded system with Ford’s part number (C7ZA-5246-AB) on the resonator was found at Carlisle. This exhaust system is still on our Mustang.

For our new members you can join MCA on line. There are 3 different tier levels discussed at MCA’s website www.mustang.org. The official club publication “Mustang Times” is included with your membership. You can NOT purchase the magazine on any newsstand or anywhere else. When you join MCA please email me at (mcadirector@centralvamustang.com) or Sandy Robbins at (membership@centralvamustang.com). For the last 14 straight years your membership has countered towards MCA’s published yearly Presidents award to our club. A picture of this award is posted on CVMC’s website. As a member you can advertise your Ford parts or perhaps sell your Mustang at no charge on pages 76 to 78.

As always check our newsletter, Facebook, Car Club Council of Central Virginia (CCCCVA) and CVMC events calendar for any upcoming activities.

Keep your distances, wear your mask, and wash your hands often to stay healthy.
