CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 35

July President's message

I have just returned from a meeting recently concerning the growth of a major business organization. They wanted to know why people were not joining their organization because they offered such wonderful benefits. Two hours passed rather quickly with all of the discussion of pros and cons of membership. It all boiled down to the fact that people join groups when they perceive that membership in a particular group will benefit them. They usually don't care if it helps anyone else.

The parallel of this organization and the Central Virginia Mustang Club is obvious. We both have current members, have benefits to offer, and want the organization to grow. The discussion group was able to resolve what we thought the major problem of the business organization was. They were trying to be all things to all members and ended up being nothing to its members.

The Central Virginia Mustang Club, on the other hand, limits our point of focus to automobiles, in fact one make of one manufacture. Our goal is to have fun with our Mustangs, be it a hundred point show winner or a rust bucket. The collective knowledge within the club is so extensive that I doubt there is a question that can't be answered by one of our members. But we will never know what you could contribute unless you are involved. Join in helping us enjoy all of the fun some of us are having. Hope to see at the next event.

Till next time..

Terry Wagner, President

He advised that the Mustang 25th Anniversary banner would be raffled off at a later date. Monte advised he was checking to see if any other banners were available. Monte Evans, Nascar chairman, advised that Geoff Badine and Ken Schrader were the fastest

cars in practice for the upcoming Talladega race. Monte also advised that the 20 club tickets for the Sept. 10 Richmond Winston Cup race were on sale for \$40 each. Money must be to Monte by the July meeting. The tickets were first come first serve, and all but three were spoken for by the end of this meeting. See Monte for details. The club will provide hotdogs. Donna also advised the club that she enjoyed handling the club picnics, parties, etc. However, she did advise the members that for her convenience picnics and parties would continue to be held in Chesterfield. She advised that a lot of preparation was involved and she did not want to bring picnic items across town. She advised members that she was not against activities in other areas, and if members wished to set up in another county, etc., she would like a volunteer to handle the set up, etc. for that particular event.

Otherwise events will continue to be held south of the James. Kenny Fischer, show chairman, advised that at this moment CVMC was planning an August show at Richmond Ford. Tentative plans include display only, people's choice awards, etc. More details will be given in the future. Kenny also discussed several car shows coming up in May. ACTIVITIES UPDATE

May and June were busy times for the CVMC. On May 12-13, 11 CVMC members showed their classic Mustangs at Eastgate Mall. This was the first mall show in awhile for the club and it was a great success.

The club participated in "All Ford Day" at Engleside Plantation. This is an annual event and we always have good club participation. The club provided the food so there was a picnic at the end of the day.

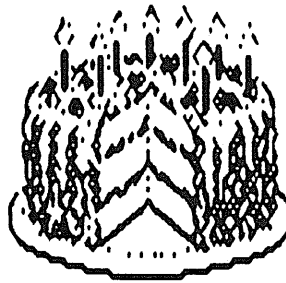

June 10 was a busy day for club members. This was the day of the spring CVMC picnic. Hotdogs and hamburgers, along with other goodies were served. The evening ended with the monthly cruise to Bill's BBQ.

Our last event of the month was a car show at Willow Lawn Shopping Mall. This was a 4 day extravaganza with 15 club cars. The Mustangs attracted many favorable comments.

Please check the events calendar and make plans to join us next month.

Ten Commandments For The Car Collector

by Donald Peterson

I. Thou shalt not store thy cars out-of-doors, except for thy wife's modern iron.

II. Thou shalt not covet thy neighbor's car, nor his garage, nor his battery charger.

III. Thou shalt not love thy cars more than thy wife and children; as much, but not more.

IIII. Thou shalt not read thy Hemmings on company time, lest thy employer make it impossible to continue thy car payments.

V. Thou shalt not despise thy neighbor's Edsel, nor his DeSoto, nor even his 1947 Plymouth.

VI. Thou shalt not allow thy daughters nor thy sons to get married during the holy days of Hershey.

VII. Thou shalt not deceive thy wife into thinking that thee is taking her for a romantio Sunday drive when, indeed, thou art going out to look at another car.

VIII. Thou shalt not tell thy spouse the entire cost of thy latest

restoration, at least not all at the same time.

IX. Thou shalt not promise thy wife a new addition to the house and then use it to store cars; thou shalt not store cars in the attic.

X. Thou shalt not buy thy wife a floor jack for Christmas.
