DOOR PRIZES

The theme for the July 11th meeting is "Life's A Beach!" No, we won't be drawing for a surfboard or a weekend at the Chamberlain, but we will have something for everyone because the door prizes can be used at the beach or after you get back home. Look for these hot items next to the cold refreshments:

1. 2 beach towels
2. Beach Boys cassette tape
3. Bottle of Sun Screen
4. Insulated six-pack carrier

You'll need to clean the sand and salt from your car when you get home so...

5. Bucket with lots of sponges
6. Gumout Carburetor & Choke cleaner

Look for diet and regular Pepsi and Coke as well as Dr. Pepper, Mountain Dew and Ginger Ale to chase away the thirsties.

Happy beaching!!!!!!!!!!

RICK'S TIPS

The other day I had the opportunity to meet a fellow whom I shall call John. John who works for C&P was in my shop repairing the phone which had gone dead. As he walked in, a conversation began about cars. One thing led to another and he began to relate to me the following story.

While John was repairing a phone in the Fan a year and a half ago, he had happened upon a stock fastback Mustang in the garage. It was parked next to an old pick-up truck. While talking to the owner about the car, John found he had stumbled across a Boss 429. Anybody hear about a Boss 429 in the Fan? (I sure had never heard of one.) The owner of the car, in his middle 70's, stated he had not driven it in years, and was the original owner.

John not being a Mustang enthusiast had always liked the fastback body style and knew the Boss 429 was a rare car. He wasn't sure how rare it was, but was interested in it anyway.

He asked if he could look at it. The paint was faded, the interior was near perfect, there was no rust anywhere he could see, there was however, an old tire in the trunk. (This turned out to be the original spare, it was unused!)

John asked if it was for sale. The owner stated he wanted \$4,500 (four thousand five hundred). John felt the price was high but purchased it anyway. This was in late 1988.

During 1989, John drove his fastback Mustang to Florida twice and to several other locations. He has logged around 40,000 miles on it.

He is just getting involved in finding out about his car and hopes one day to restore it.

Happy Cruisin...Rick Nocht

WHEN DID YOU ACQUIRE YOUR FIRST MUSTANG? 1972 - '67 GTA

HOW DID YOU BECOME INTERESTED IN MUSTANGS? I first became interested in owning one in the early 70's when I bought the '67 GTA for my oldest son, with the understanding the car could not leave the family.

DESCRIPTION ON HOW YOU RESTORED YOUR MUSTANG: The '67, '70, and '73 were redone as street driveable show cars in the early 80's. None were a total restoration. The work was done by my wife and I. The '69 and '71 are patiently sitting and waiting for the owner to get off of his butt and start on these cars.

ARE YOU AN ACTIVE CAR SHOW PARTICIPANT? Somewhat

WHAT IS YOUR CURRENT INTEREST IN MUSTANGS? Performance cars between '67 and '71.

OTHER INTERESTS/HOBBIES: Toy cars and trucks, racing, antiques

OTHER CLUB AFFILIATIONS: AACA, PFCA, SAAC, MCA, NCRMC

ARE YOU INTERESTED IN SERVING AS A CVMC BOARD MEMBER? Yes

WHAT WOULD YOU LIKE TO BE DOING IN 5 YEARS? I would like to have the other 2 cars done. With regard to my Mustangs, I would like to have all 3 Bosses at one car show.

SUGGESTIONS/COMMENTS: I believe we have a good club where lots of people have become good friends and it is possible that the petty bickering and squabbling could spoil a good thing for a lot of people. Basically, we have to remember this is suppose to be for fun.
