

THE GALLOPING GAZETTE

NOVEMBER 1990

CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 49

President's Message

AN IMPORTANT MEETING

The next meeting for the CVMC will be a very important one, and your attendance is important also. We will vote on and adopt some changes to our By-Laws. All of these changes could at some time affect each and everyone of us. We will also have our yearly election of officers and board of directors, and this will affect each one of us for an entire year. Please take this election seriously. If you would like to hold an office, it is not too late to put your name on the ballot. Holding an office requires hard work and a willingness to sacrifice personal time and energy for the betterment of the Club. If you feel you can make a difference and want to make a difference, come to the meeting and let your feelings be known in whatever way you feel is necessary. The Club needs new and fresh ideas to maintain interest. As your President, I want to hear them, and I want each of you to become an active working member. "If you don't participate, don't complain."

NASCAR TICKETS AVAILABLE

Nascar tickets for the Richmond race in February are now on sale on a first come first serve basis. Cash or checks accepted, no IOU's!!

CHARITIES

The Club will designate an amount of money yet to be determined at the November meeting to be donated to charities by the end of the year. If you have a favorite charity you would like to have considered, please let it be known in November. I personally think the Club could do some good for needy children at Christmas time. What do you think?

Monte

SPOTLIGHT ON MEMBERS

NAME: Monte R. Evans **BIRTHDAY:** 7/21/51
MARITAL STATUS: Married to Judy
MUSTANGS OWNED: 1965 2+2 Fastback, 1969 Boss 302, 1984-1/2 20th Edition GT-350
WHEN DID YOU ACQUIRE YOUR FIRST MUSTANG? A 1969 sportroof in 1971
HOW DID YOU BECOME INTERESTED IN MUSTANGS? I have always been a diehard Ford fan, so my interest in Mustangs came very naturally.
DESCRIPTION ON HOW YOU RESTORED YOUR MUSTANG: The 1965 is a very original car except the paint. The 1969 has had a little detailing, but never a total restoration, and the 1984-1/2 is totally original.
ARE YOU AN ACTIVE CAR SHOW PARTICIPANT? Yes
WHAT IS YOUR CURRENT INTEREST IN MUSTANGS? I am interested in keeping the love for the Mustang alive. I enjoy the car the people associated with them.
OTHER INTERESTS/HOBBIES: Golf, snow skiing, stock car racing
OTHER CLUB AFFILIATIONS: MCA
ARE YOU INTERESTED IN SERVING AS A CVMC BOARD MEMBER OR COMMITTEE CHAIRMAN? Yes
WHAT WOULD YOU LIKE TO BE DOING IN 5 YEARS? Still happily married - still enjoying life.
SUGGESTIONS/COMMENTS: I would like to see the CVMC remain a strong viable club for many years with its doors open to everyone, always!

TECHNICAL ADVISORS

If you have any technical questions regarding Mustangs, you can call one of the following members to get the information you need:

Bill Jarvis, 262-2137

Kenny Fischer, 743-1490

Carroll Lipscombe, 329-5901

**DOOR PRIZES AND RE-FRESHMENTS
NOVEMBER MEETING**

October has been a very busy month, but I've managed to do a little shopping. There will be new drinks for the November meeting. Caffeine free Pepsi and caffeine free diet coke will be available. Also Dr. Pepper, Mountain Dew, regular Coke and Diet Pepsi.

Door prizes will include a CVMC hat, a Ford Motorsports hat, and antifreeze so you can get your cars ready for winter. And as always, I'll try to have a surprise or two.

In the spirit of Thanksgiving, I want everyone to know how much I appreciate your support at the meetings. I wish to thank all of you for buying the drinks and raffle tickets. The money is then recycled and more drinks and more door prizes are bought.

I also thank everyone for their door prize donations and all suggestions for the refreshments and door prizes. Keep those ideas coming. And, I hope all the CVMC members have a wonderful Thanksgiving.

Barbara Evans

RICK'S TIPS

UNDERCARRIAGE DETAIL

This one is tough. Most car's underside fall into four categories. Those being; the underside is garaged and nice, undercoated, covered with oil or rusty scale. Most cars fall into all four.

The ideal way to clean the underside is to completely dismantle the car, build a car turner, and turn the car on its side and sandblast until only bare clean metal is showing. The equipment to do this will set you back the cost of a decent '65 convertible, so let us look at some alternatives.

If the car is a nice garaged original it is best to leave the underside alone. I would recommend spraying the underside with some type of preservative such as Armour All or an equivalent to keep the moisture off.

If your underside is covered with oil it has hopefully been protected from the elements and you might find a beautiful underside once the oil is removed. Any one of the engine degreasers will work along with kerosene and gasoline. Try not to scrap the heavy deposits with something sharp because this will remove

the protective coatings Ford used on the car. A hard bristle (no metal brush) should help. After degreasing spray, a light coating of protectant to keep rust from forming.

If you are fortunate to have a car that was undercoated from new you are probably in the best position to detail.

First, degrease the undercoating using cleaners previously mentioned (the section where the car's underside is coated with oil). You may need to scrub the undercoating as you clean, again use a brush (non-metal bristles). Once clean, use rubberized undercoating that can be purchased at most parts stores. Once undercoating has been applied, wait an hour or two and soak with Armour All or an equivalent to give a factory look.

If you have rusty scale under the car, it is simply better to sandblast, however, a drill and wire brush attachment will help to preserve the underside. It is dangerous to your eyes to use a drill and wire brush because the dust created and rust flakes can become imbedded in your

eyes. Use eye glass protectors to cover your eyes and also purchase some dust masks to keep from inhaling the dust.

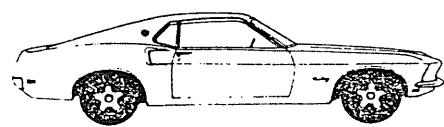

To remove the rust in this manner will take several days. Once the rust is off, purchase a bottle of rust preventive liquid. Some of the different names are "One Step" and "Opho". These rust stoppers will change the rust to a black oxide and help stop rust from forming again. Follow the directions for the rust stoppers because they are acids.

Once the rust is arrested with a chemical solution, paint with black followed by undercoating. The judges of most shows will not take off for the non factory undercoating.

Good luck.

If you have any questions, please feel free to call me at 222-8481 during the day.

Happy Cruisin...Rick

VICE VOICES - MEMBERSHIP

At the January 1990 meeting, I told you we had 12 current members. Back then I figured by the end of the year we might have 80 members at best. I figured 100 was way out of reach for mine and Monte's first year in office. But, by the end of the October meeting I signed up the Club's 100th member.

Now having 100 members looks good on paper and it sounds good too. But, when you take the number of members that come to the meetings, shows, cruises, parties, and other Club functions and compare that to the number of members we have in the Club, then it starts to not look so good.

You would think that with 100 members we would have about 70 of them attending and/or participating in all of our Club functions, but we don't.

The purpose of having a club activity is to provide a way for the members to get together to socialize, show their support for their Club, and most important, to show their pride and support for their Mustang. But it's hard to do these things without all of you there.

Imagine pulling into a Bill's BBQ parking lot on a Saturday cruise night and seeing 50 Mus-

tangs lined up, all shined and sporting CVMC window decals. Or, driving down the road and meeting 50 Mustangs going the other way on a trip somewhere. Wouldn't that look good? Wouldn't you like to be a member of a club that had enough support from it's members to get that many cars together for a cruise or a road trip? With your help, you can have a club like that.

To those of you who come to club events and participate in our shows, I want to thank you for your support. You're the ones that know that yes there is some work involved in everything we do, but we still manage to have fun in everything we do.

To those of you that don't come to the Club meetings, cruises, etc., first, I want to invite you to our next meeting on Wednesday, November 7th at 7:30 p.m. at Richmond Ford. I want to see some new faces there. Second, I'd like you to let me know why you don't attend Club functions. Tell me some things we can do differently to get you more interested in your Club. You paid your dues, you should enjoy the Club and get your moneys worth out of it.

This goes to all of you. Call me on the phone, write me a

letter, or see me at the meetings to give me your ideas and suggestions on what we can do to make this Club the best that it can be.

One day I want to pull into Bill's parking lot and see more than 6 or 7 of these beautiful machines we call Mustangs sitting side by side or see 75 out of 100 members at a meeting. One day!

People, this is your Club. Some of you pay your dues then we never see you again. Others pay by check, and we never see you at all. As a member of this Club, we want your input on the things we do. But, if you don't come to anything, how can we get it?

I really hope that with your suggestions I can help get member attendance at Club events to increase and I would start with the meetings and our Club Christmas party. I hope to see at least half of you, if not more, at the party this year.

Think about this and please help me with your ideas.

Kevin Kean
2nd VP and Membership
Director

1990 RECOMMENDED BY-LAWS REVISIONS

The following changes and/or additions to the Central Virginia Mustang Club's By-Laws have been recommended by the By-Laws Committee. These changes and/or additions will be voted on at the November 7, 1990 meeting.

ARTICLE V OFFICERS

Section I:

No two (2) members of an immediate family and/or household may simultaneously hold the offices of President or Treasurer.

ARTICLE VI DUTIES OF OFFICERS

Section III:

Duties of the Second Vice President shall include but not be limited to:

- A. To perform in such a capacity as directed by the President.
- B. To assume chairmanship of the membership committee.
- C. To keep accurate records of the current membership.
- D. To notify the Board of Directors of delinquent membership dues.
- E. To keep an accurate and up-to-date listing of all members and their mailing addresses.

ARTICLE VII PROCEDURES

Section III:

In the event of the death or incapacitation of the President and First Vice President, the following succession to the Presidency shall be Second Vice President, Treasurer, and then the Secretary until a new President can be elected by the membership.

ARTICLE VIII MEMBERSHIP

Section III:

Dues shall be paid upon entry into the Club and then on January 1st of each year at the rate of \$18.00 per member (which includes voting spouse or 1 other member of the household age 16 and over decided by the paying member for the current membership year). Members more than sixty (60) days delinquent in their dues will be automatically dropped from membership in the Club.

ARTICLE XI VOTING

Section IV:

Voting shall be by active

members and their spouses or one (1) other member in the household age 16 or over in good standing.

ARTICLE XII AMENDMENTS

Section II:

Two-thirds (2/3) of the voting members present will be required to carry any amendment, providing amendment is in accordance with latest Robert's Rules of Order.

ARTICLE XIII COMMITTEES

Section II:

The following committees shall be appointed at the first regular business meeting or as indicated at the commencement of the newly elected officers:

- A. Picnic
- B. Cruises
- C. Parades
- D. Publicity & Newsletter
- E. Sponsors
- F. Judging
- G. Awards & Trophies
- H. Refreshments
- I. Club Merchandise
- J. Scrapbook
