CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 48

## President's Message

### GOOD FEELING

*Well our sixth annual Mustang and Ford Show has come and gone and from every angle that I look it was a success. It takes a lot of hard work and preparation to have a show come off as well as this one did. There is one main reason for this, good people, and this Club is full of them. Any time I asked for help, I received it. The majority of the time someone beat me to the punch and*

*asked if they could do something. Everyone was very willing, of course there are a few who go above and beyond, they know who they are and everyone else knows also. When I sit back and think of the members who work so hard and give up so much of their time, and how this Club sticks together, I get a very Good Feeling!*

### SAFETY

*Working on or restoring a Mustang or any other car can be a very rewarding experience. It also can be very dangerous. So, while you work with grinders, buffers, hammers, and chisels or any other tools its a great idea to wear safety glasses because an eye is a terrible thing to waste and blindness is permanent.*

*Monte*

## BOARD OF DIRECTORS MEETING AUGUST 29, 1990

The Central Virginia Mustang Club Board of Directors meeting was called to order by Monte Evans at 7:00 p.m.

First on the agenda was discussion of the annual car show to be held on September 15th at Universal Ford. Regarding judging, Carroll Lipscombe has contacted the same people who judges before and a meeting of the judges will be held before the show. A more strict set of rules will be used for this show. Carroll has the judging sheets. Regarding registration, it was felt we probably will need a registration chairperson and about 6 people to work the registration booth. There will be no pre-registration and registration will open at 7:00 a.m. Nellie volunteered to help.

The dash plaques have been taken care of and the trophies will be ordered by Friday. The Club will pay for the trophies.

The Club booth will not be set up with the registration table because it was felt there was a possibility for more confusion, if they were together. The board members agreed to have 50 extra newsletters, as well as Club pins and decals to give to new members.

Kenny Fischer will park show cars.

Bill Jarvis will handle the vendors.

The car show ads will be included in the Universal Ford ads. The show will be announced on radio station 106 FM, and will be in area newspapers.

Carroll Lipscombe mentioned a photographer who is interested in taking photos of the show cars. He will be invited to attend our meeting.

Universal Ford will handle all refreshments. The radio station will also have some, the Club will not have to worry with refreshments.

Universal will have a Motorsports booth at the show, mostly wearing apparel.

Carolyn Timms will need help with scoring.

Bill Jarvis, Kenny Fischer, and Carroll Lipscombe have agreed to be listed in the newsletter as Technical Advisors, and their phone numbers will be available for people with technical questions.

Adopt A Highway program, Donnie Herndon will be in charge of ballots.

Ballots for the next election of officers will be in the October newsletter. A nominating committee will be formed.

There is a definite interest in a Christmas party this year.

The board felt the thing to do was just to ignore the Mustang Club of America membership issue again.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,  
Billie Jarvis

## SEPTEMBER 5TH MINUTES

The September meeting of the CVMC was called to order at 7:30 p.m. at Richmond Ford by Monte Evans, President.

All members were welcomed, and 4 visitors were extended a special welcome.

Monte announced we will talk about our September 15th car show.

Kevin and Cheryl Kean will not be present tonight because of the death of Kevin's grandfather, therefore, we will not have a treasurer's or membership chairman's report.

We have a special guest tonight, Paul Carper, who is accompanied by 2 young ladies who work with him as models. Paul will speak to us about a service he offers at car shows as well as at other times. He is a photographer and has been in this business about 7 years. He will take pictures of cars at our show for a modest fee, either with or without the models, whichever you choose. He offers several different packages of photos and will also do group shots of several cars.

Awards & Trophies: Kenny Fischer says the dash plaques are already here. They are about 3" x 4". The trophies are ordered and will be a little more expensive than last year. Lots of help is needed from the members to put on this show!

At break, Nellie Fischer will have shirts, 25th Anniversary hat pins, and medallions. Anyone who wants one of the Club antenna flags should let her know.

Carolyn Timms requested that anyone who hadn't submitted their "Spotlight On Members" to her yet should do so as she needs them for the newsletter.

Carroll Lipscombe has nothing on parades. Nothing in the works but preparing for judging at the car show. Carroll did ask that we all consider more participation at the Crewe parade next year saying that it is a great family event.

In order to plan a Christmas Party, all members need to let Nellie know their feelings about what, when, and where they want.

Cruise Night will be this Saturday and lots of cars are going to Bill's on Midlothian and Bill's on the Blvd. Bill's is just past Johnston Willis Hospital on 60.

There will be no Nascar news as

Donna Seay is absent tonight. Nascar is in town for the Miller 400 this weekend and all of the Club tickets have been sold.

Sponsors: Holly Womack said she had been notified by a new member about difficulty getting a discount and we were told Mustang Bill does not give a discount. Carroll Lipscombe has checked at Ray Broyhill Ford in Hopewell and there should be no problem getting a discount there.

Monte passed around a picture of the new Mustang.

Bonnie Fischer says she is working on the Scrapbook and needs pictures.

Monte showed us the plaque our Club received from the promoters of the Virginia Car Lovers Show for helping put on their show at the Fairgrounds.

Robbins Speed Shop in Mechanicsville may become a Club sponsor. They do all types of Ford work; it is hoped they will become a sponsor and offer a Club discount.

Monte distributed some "stuff" he had made up for Club members who can use it. Included were papers about seat belts, engine codes, tune-up, and performance information, etc.

All members having September birthdays were recognized.

There are 41 people present tonight!

Monte congratulated Mike Timms for winning the "Best Looking Street Driven Mustang" trophy at the Richmond Dragway on August 18th. Way to go Mike!

Rick Nohta and the membership in general participated in a discussion about car cleaners.

It was brought up that at our last Board Meeting we decided a list of members who had agreed to be "Technical Advisors" would be included in the newsletter. Their telephone numbers will be given so that anyone with any type of problem can contact them. A few members have already agreed and more volunteers are needed.

Barbara Evans has refreshments and door prizes which include: Tommy Houston t-shirt, gift certificate from Pep Boys, Crown gas toy truck, sports bag, 2 tickets to qualifying on Friday.

New members will pay \$6.00 tonight.

Five new members joined tonight.

Flyers for other car shows are on the front table.

A challenge was made by Monte to everyone to place a flyer for our show in a public place for one week prior to the day of our show. 13 or 14 people say they plan to show their cars. We will need more than that!

Last month we discussed changes of the By-Laws. Brenda and Barbara reported they had written proposed changes. All of these changes are detailed in another section of the newsletter, and will be voted on at our October meeting.

The Freedom House is a possible selection for us to donate to at the end of the year. We will have enough money for a nice charity donation. Please bring suggestions to the November meeting.

Donnie Herndon has made ballots showing the county and city areas to select from for the Adopt-A-Highway program. Please vote and return the ballots to the front table to be counted.

Four volunteers are needed to make up the Nominating Committee. They will solicit people for the election of officers and we will vote at the November meeting. Mike, Holly, Brenda, and Al will make up that committee. Monte discussed with us first his decision not to run for re-election and then why he re-considered and decided to run again. He encouraged everyone to consider running for an office. We will need to elect new directors also.

It was announced we now have 92 members.

Carroll Lipscombe says there will be a judging meeting next Wednesday night at Richmond Ford.

Barbara Evans has raffled off the prizes.

Ballots were counted for the "Adopt-A-Highway, and Chesterfield won by 11 votes. A street in that county will be selected.

Meeting adjourned.

Respectfully submitted,  
Billie Jarvis, Secretary
