## President's Message

### FIRST REACTION

*For every action there is a reaction, so the theory states, and I have no reason to doubt it. Just the other day the actions of a few people created a reaction that we all had at one time or the other.*

*How did you react when you first received your first Mustang, whether you bought it or whether it was given to you? Do you remember, or is it just another uneventful day that we all seem to have. I remember the day I bought my first Mustang. It was a Royal Maroon 1969 Sports Roof. I was so proud of it, I just beamed all over, as I am sure most of us did.*

*I recently sold our 1965 Fastback to my sister and her husband. They bought the car to give to their son, Brian, for his birthday.*

*Through the actions of Judy and her support and help, and Kenny Fischer who did a great job on the paint and body work - Thanks again Kenny, Mark Saxon of Advance Mobile Glass for his glass work, Bill Jarvis for getting some much needed parts for me, my brother Tim and my brother-in-law Clyde for their help in putting it back together, we accomplished a very large task of refurbishing the old job to look very near new.*

*A lot of things were replaced or redone. A lot of cleaning and repairing went on in a very short period of time. I spent a couple of very late nights to the wee hours in the morning to make this all happen when it should. Thanks to everyone who helped!*

*When Judy and I took the car to Hampton where my sister lives, her son had no idea the car was his when we drove up. After a series of funny clues and games, he listened to a cassette tape which informed him he was the proud owner of the car he was sitting in, the one he had admired for years when he couldn't even drive. For all of the actions of others his first reaction, of disbelief, will be remembered for a long time. Do you remember your First Reaction?*

### SEPTEMBER MEETING

*We will be focusing on the annual car show at the September meeting. Please come and give us your help and ideas. It will take a lot of people willing to work to make the show a success.*

### SAFETY TIPS

*When driving, always treat a bicycle as another vehicle. Keep a safe distance and pass with care.*

*Practice defensive driving, don't speed, use caution in snow and/or rain, and wear your seatbelts.*

## DOOR PRIZES & REFRESHMENTS

When I think of September I immediately think "time to go back to school". And when I think of school I also think "school pictures." So one of the door prizes for the September meeting is a six opening picture frame. Other door prizes include a clip on portable lamp and a plastic convenience caddy.

Refreshments will consist of Coke and Pepsi products, Mountain Dew, Orange Slice and Dr. Pepper. See you at the meeting!

Respectfully,  
Barbara Evan

## RICK'S TIPS

### SHELBY AMERICAN AUTOMOBILE CLUB CONVENTION A PERSPECTIVE

Those of you who were able to go to the SAAC 16 Convention this year were surely impressed. Concourse judging was very strict. With the new head judge, Bob Perkins setting the judging rules, the over-restored cars were certainly in trouble. If a car did not have runs in the engine compartment it lost points. Paint runs needed to be pronounced and evident on a casual glance. But enough on that.

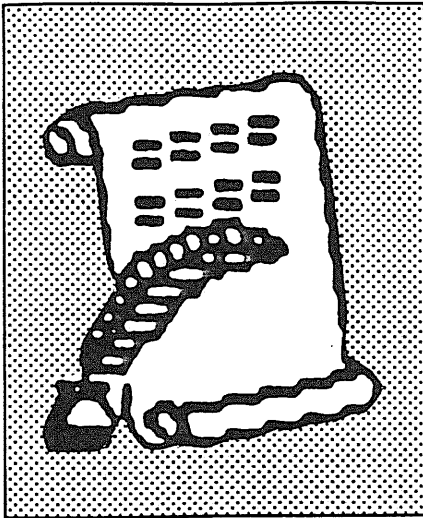

I was fortunate enough to be at SAAC 4 and noticed that the 1991 SAAC Convention had the same number of cars present as SAAC 4. The cars attending at both meets seemed small. Years earlier attendance in cars seemed almost twice.

I believe the car's values are keeping them from being driven to the convention. Trailering a car a great distance can be slow and very taxing. A lot of people come, but leave their cars at home. I believe the days when people drove Shelys, Cobras, Panteras, Sunbeam Tigers, and the like are gone. It's a shame but the risks of damaging a car to drive to the convention is to high.

The convention itself was very nice. There was plenty to see and lots of car talk. To those of you who have never been, try to go to one. The conventions have never been boring and the sights and sounds are out of this world.

Happy Cruisin...Rick

## AUGUST 7, 1991 MINUTES

The August 7th meeting of the Central Virginia Mustang Club was called to order at 7:30 pm by Kevin Kean, Vice-President; as Monte Evans, President was absent.

Kevin welcomed all visitors and announced a new member, Bob Harding and his wife Rita, were attending tonight.

Cheryl Kean noted there were 33 members in attendance tonight.

Kevin announced that Nellie Fischer surprised everyone by having her baby early. Born just about 5 weeks early, Jason Wayne weighed 5 lbs. 5 oz. and was 18" long.

All August birthdays were recognized.

Barbara Evans has a battery hydrometer, lint-free towels, utility cart, \$10.00 gift certificate from Ukrop's Super

Market, as well as a Sponge-N-Squeegee and Armor All car wash and hand cleaner for door prizes tonight. She also has drinks for sale.

Carroll Lipscombe reminded everyone of the Crewe Parade on Saturday, August 17th, anyone interested should contact Carroll. Carroll also introduced Nancy and Buddy Bell, ex-Club members, who were attending tonight.

Kenny Fischer is absent tonight as he is not feeling well, therefore, there is no car shows report.

Kevin thanked Carolyn Timms for such a good newsletter.

Motorsports: Donna Seay has Flo-Masters Catalog and flyer. They will give a discount to members. She also has Stewart Warner brochures, etc. Next month she should have good packs from the Ford teams.

Cheryl Kean, Treasurer, announced a current balance of \$1,235.33, an insurance bill of \$373.00 will come out of this.

Kevin Kean said we now have 75 members - 1 tonight.

Kevin reminded everyone we need many volunteers for our car show September 21st at Universal Ford; also, the National Capital Region Mustang Club

Show will be held September 22nd at the Northern Virginia Community College, Alexandria, VA campus, 3001 N. Beauregard St.

All Club members interested in going to Jenro's on Saturday, August 10th should meet at the rest stop on Rt. 64 between 4 and 4:30 p.m. In the case of rain, don't go!

August 24th will be Mustang Night at the Drag Strip. Gates open at 4 p.m. Donna Seay may race!

Please call Monte or Kenny to volunteer to help at our Car Show.

For Sale section: Please call Carolyn to place ads in the newsletter.

It was noted our Club had a good turn out at All Ford Day. Steve Smith took 2nd place with a '65 Fastback.

Bill Jarvis is our speaker tonight. His subject will be "Identification of Ford Part Numbers and Casting Numbers".

Sly brought pamphlets from Kelly Automotive, Inc. for members, please pick these up.

After our drawing for the door prizes, Kevin adjourned the meeting at 9 p.m.

Respectfully submitted,  
Billie Jarvis, Secretary

### CVMC NEW ARRIVAL

*Jason Wayne Fischer came into this world 5 weeks early on July 17, 1991. His parents, Nellie and Kenny Fischer, are proud to say the least. Jason weighed in at 5 lbs. 5 oz. and was 18" long.*

*Good luck to the Fischer family.*

*This holds true with any organization including our Club!*

## HENRY FORD II ON THE NEED FOR NEW BLOOD

"A company needs to be constantly rejuvenated by the infusion of young blood. It needs smart young people with the imagination and the guts to turn everything upside down if they can. It also needs old fogies to keep them from turning upside down those things that ought to be right side up. Above all, it needs young rebels and old conservatives who can work together, challenge each other's views, yield or hold fast with equal grace, and continue after each hard-fought battle to respect each other."

## NEW SPONSOR

*I am resigning as Chairperson of the Door Prize and Refreshment Committee. If you think you might be interested in doing this fun job but you would like to get your feet wet slowly, I would be happy to have someone to work with for awhile until they feel comfortable enough to fly solo. See me at the next meeting or you can call me or Monte. My number is 769-2653 and it is long distance unless you too live in King William. This committee is perfect for a couple to work together.*

*I would like to thank everyone for their suggestions on door prizes and refreshments as well as those who have donated prizes.*

*You helped to make my job easier.*

*Respectfully,  
Barbara Evans*

Last month, when the catalytic converters went bad on my car, I didn't see how anything good could come from it, but the Club managed to make out like a bandit.

By taking my car to Midas, the Club picked-up a new member and a new sponsor.

The new member is John Isaksen. He is the manager of the Midas Shop at 3700 Hull Street Road. CVMC members will receive a minimum of 25% off all work done at his shop. The discount is good at his store only though.

By the way, he gave me the best price around on my converters.

Kevin Kean

## AUGUST 24, 1991 MUSTANG NIGHT RICHMOND DRAGSTRIP

Saturday, August 24th was "Mustang Night at the Richmond Dragstrip.

There was so much anticipation and excitement at our house weeks prior to this day. Unfortunately, disappointment stuck it's nasty face in our excitement.

Mike had spent a lot of time getting his '68 Mustang ready, as well as our daughter's '67 Cougar. Mike had just finished rebuilding her engine, and they both agreed on her racing at the track.

She entered the race in the "Street Stock" class, and did very good! She made it all the way through to the second elimination round and was beaten by inches. All in all she was happy with the outcome.

Mike on the otherhand was very upset with the way the officials handled the Mustang Class. He was only allowed to make one run, and would not have been able to do that, if he hadn't just gotten in line. The Mustang Class was never called! To top this off, he waited in line for over an hour - never moving before he could run.

His feeling is that the Central Virginia Mustang Club should not participate in this event next year.

One good thing for the Club is that Earl Morris won (in a three way tie) Best Looking Mustang in his '66 Shelby. This alone should clue you in on the way the Mustang's were treated. Earl won with a Shelby, the other two Mustangs were a '67 Fastback (which the announcer said was a '67 Camero) and a '72 Mach I.
