March President's Message

Hello Members,

I hope this finds you all in good health and looking forward to spring.

I want to remind everyone about the trip to Tappahannock, on March 29th. I would love to see 25 Mustangs going down the road together. Let's try to make this dream a reality.

If you haven't renewed your membership for this year yet, then please do so. If you don't renew by the end of March, the bylaws say we have to drop you. So please... mail your dues in or better yet, come to the next meeting and take care of it in person. If there is a problem causing you not to want to renew, then please let me know. I'd like to try to work it out with you.

Don't forget about the bulletin board we want to try and set up. If you have something to buy, sell, etc., bring in a picture and/or a description of your items and we'll put them on the board up front for everyone to see.

Well, that's all for now. Hope to see you at the next meeting.

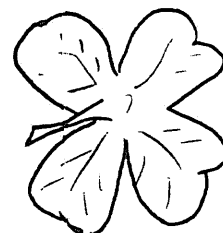

Kevin

DOOR PRIZES !!!

Bill Jarvis says he's not as nice as Barbara, he won't tell you ahead of time what's for the raffle. But, save your money for the March meeting because the raffle will be interesting, and there will be drinks too !!

I would like to invite everyone to send in articals, letters, cartoons, and poems, etc. What ever you would like to share with Club members. To be printed in the newsletter to the Clubs' P.O. Box.

A cruise has been planned to Tappahannock on March 29th, 1992. We will meet at the Family Dollar Store on Mechanicsville Trupk. at 1:30 pm. We will eat at Lowery's. We hope you will join us for a day of fun and excitement. See you there !

FEBRUARY 5, 1992 MINUTES

The February meeting of the CVMC was called to order at Richmond Ford at 7:30 pm by the Club President, Kevin Kean.

Kevin recognized a new member, Larry Harding. He also recognized visitors Paul Oliver, Tim Hair, and Bill Pettis. Kevin urged members to make everyone feel welcomed.

Kevin thanked Nellie Fischer for her outstanding work on the February newsletter. It was announced that she would also handle the March newsletter until Carolyn Timms is back on her feet.

Kevin advised the membership that he still needed two chairpersons for sponsors and cruises.

Show Chairman, Kenny Fischer, ran down list of current shows for February.

Mike Timms, Membership chairman advised that we have 48 members. He reminded everyone to pay their dues during break or they can be mailed to the Post Office Box.

Treasurers report was given by Kevin Kean, club balance in account is \$952.00

Kevin also announced that Al Azzorone had accepted the chairmanship for the publicity committee.

Merchandise chairman, Nellie Fischer advised that she had the regular club merchandise for sale. She also advised that next month she would have large and x-large tee shirts available.

Open discussion was held on club jackets. Nellie advised that she had located a firm for a one time \$150.00 tape fee would allow the club to order jackets one at a time. She advised that the new firm provided better quality clothing and members could take any article of clothing to the firm and for a fee have club logo stitched.

A motion was made and seconded and motion was carried. Club members should contact Nellie for info on ordering a jacket or info on new firm.

Nascar chairman, Donna Seay, gave out packets on various automotive products and services. She also gave current update of activities surrounding Daytona 500.

Carroll Lipscombe, parade chairman advised that he needed eight cars for the March 15, St. Patrick's Day parade.

Picnics and Parties chairpersons, Cheryl Kean & Holly Womack advised that they planned to hold a club event every three months, with the first being a cruise day in March.

Bill and William Jarvis, chairpersons for refreshments & Door Prizes advised they had the usual supply of soft drinks. Up for grabs for door prizes were a Richard Petty car, subscription to Mustang Monthly, 4 can coolers, Mustang book, Mustang sign, fender cover and Ford thermometer.

Bonnie Fischer, Scrapbook chairman, advised she would start bringing the CVMC scrapbook to future meetings. Anyone with photographs to donate should contact Bonnie.

Trivia chairman, Monte Evans, was not present. Kevin advised that Monte gave him questions for the meeting but left it in his other coat. Mark Mchensey filled in and asked several questions.

New business was discussed, the 1992 car show was discussed.—Due to size limitations it was decided that the '92 show would not be held at Universal Ford again unless another location could not be found.—Three possible locations that had been presented to the club as available were discussed. These locations were Best Products lot on Marshall, Willow Lawn outside lot near Broad St., & Va. Commons Mall near Ashland. Club will discuss further in upcoming meeting and with Board of Directors.

It was discussed with Cheryl Kean that she should make arrangements with recreation center for same room and date for Christmas Party for 1992.

Kevin advised the club that on Sunday March 29th, that the club as a group would cruise to Tappahannock for dinner at Lowery's. Members should meet at 1:30 pm at the Family Dollar Store at the corner of Laburnum and Mechanicsville. Contact any club officer for details and directions.

The club discussed that at future meetings a bulletin board would be available to post notices for items to buy, sell or trade.

Kevin Kean advised that the club was placing several ads in the classified section of the Richmond Newspapers prior to monthly meetings to help bring members to our club. We will try this for about 3 months.

The members were asked if they had any questions for the technical advisors, no questions were indicated.

The meeting had a brief recess. The door prizes were given out. Winners were Mike Timms, Larry Harding, D. Heardon, B. Fischer, M. Mchensey, S. Coble, and A. Brough.

Kevin reminded everyone the next meeting was March 4.

There was no speaker. The members told of how they came across their first Mustang, and any other interesting stories.-----Meeting adjourned.

Secretary, Donna Seay

MEMBERS HELP MEMBERS

Every month our president stands in front of us at our meetings and encourages each of us to speak up and ask for the advice and help of each other. Most of us never do that because we feel we might be imposing upon someone who really doesn't want to be bothered. Kevin says we can and should call on each other for help; we say "Naw, Never Happen". Well, my husband and I found out what Kevin says is true, you can feel free to ask another club member for help and maybe you'll be as lucky as we were.

On December 26th, our 5 year old grandson Brian was playing football with his dad and his older brother Bobby. Well, Bobby landed on Brian and broke his left leg up next to the hip. The doctors put him in a body cast that goes from just under his arms to his ankle on his left leg and to his knee on his right leg. They said he would have to stay in this until the end of March. We were told to find him a child's reclining wheelchair to use. A chair like this would cost \$290.00 a month with hospitalization and about \$150.00 a month without hospitalization. Of course, their hospitalization wouldn't pay for the chair so they started searching for one, without any luck.

I told Billy since Don Smith is in the hospital equipment business let's ask him who we should contact to find a chair at a good price. He didn't think we should do that, but I talked him into it and at the January meeting we asked Don who to call. He told us to try Durable Medical on Midlothian Turnpike that he would call them if he needed something like that. Well, to make a long story short enough for this newsletter, Don called his friend John Mendez at Durable Medical, they found a chair which fits and when our daughter-in-law picked it up they treated Brian like a king and told her there was "No Charge", because Don had worked out "A Deal".

The point I'm trying to make is that the people in this club will help each other, "You pat my back and I'll pat yours" so to speak, you just have to ask.

Thank you, Don. We owe you one !

Bill & "William" Jarvis

Club Members Do Well At

Asphalt Angels Car Show

The group of members that participated in the show had a good time. We talked to alot of nice people and drew interest in the club. Names and addresses were taken of people who asked about our club's car show. But, in watching the people that attended the show we found one thing quite funny. People would stop and say "I used to own one just like it !" No matter what kind of car you show, you hear this a million times.
