## President's Perspective

Welcome Members,

The month of May has been full of shows. Some of us attended the Sam's Club Auto Show. Richard Jones took First, I got Second, but I managed to take best interior. A group of CVMC member went to Rocky Mt. for the Tarhill National Show. The weather was rainy and cool all weekend long. Richard Jones took first for Street Driven '65-'66, Linda & George Cosier took second for Daily Driven '67-'68, I took First for Daily Driven '87-'93.

I have not heard anything back from Ford Truck plant yet on our tour. I am looking for six cars to go in Willow Lawn Mall over Father's Day Weekend. You would go in on Thursday night after 9:00pm, and come out Sunday after the mall closes at 5:30pm. If you are interested please let me know.

See You All Wednesday Night.

Kenny Fischer, President

CENTRAL VIRGINIA MUSTANG CLUB  
MAY 3, 1995

The May general membership meeting of the Central Virginia Mustang Club was called to order at 7:36 pm by President Kenny Fischer. There were no new members or guests present. Greetings were extended to those with birthdays in May. Second Vice-President Terry Wagner reported 74 paid members. Treasurer George Cosier reported a beginning balance of \$1599.32 plus \$123.00 (dues) minus \$22.85 (phone) and \$23.41 (phone) for a final balance of \$1676.06. National Director Paul Oliver was not present to give his report.

Kenny listed many car shows, a schedule of which is found elsewhere in this newsletter. Extra Billy's had offered to feed the CVMC group on the day of our car show at Willow Lawn. The restaurant will open early for us to eat at 4:00-5:00 pm. We will have a choice of three or four menu items for about \$10.00.

Carroll Lipscombe reported that eleven cars participated in the Azalea Parade. The next cruise will be this Saturday night at Bill's BarBQue on Midlothian. Karen Lane had nothing new as far as picnics and parties. The Holiday Party is scheduled for December 16 at the Belmont Recreation Center. Don Smith has once again offered the use of his yard and pool for the annual CVMC summer picnic. He was not present to confirm a date. Brenda Jones had the usual refreshments and introduced the doorprizes. Marty Belt was not present to discuss NASCAR. Monte Evans asked his trivia questions and discussed the hot line. He received an interesting call this month from a gentleman has a Mustang for sale. The man is the original owner of the '68, in good condition. Kenny reminded everyone to check the bulletin board at the front of the room for sale ads and appropriate comics. First Vice-President Don Lane reported that the judges workshop held April 8 at the Lay Oak warehouse was a success. Good donuts were enjoyed by everyone. Carroll reminded everyone to check this month's Mustang Monthly for restoration do's and don'ts. Nellie Fischer has the same club merchandise for sale and requests anything for the newsletter. Bonnie Fischer needs anything for the club scrapbook.

Kenny has been contacted by Powhatan Ford-Lincoln-Mercury concerning their grand re-opening scheduled for May 20. They plan to have WLEE oldies music and old cars 10:00-2:00. Please see Kenny tonight if anyone is interested.

Six CVMC Mustangs made the trip to Yorktown for the Hampton Style 'N Stangs show last weekend at the Super K-Mart. Everyone who went brought home a trophy: Don Lane tied for 3rd in the 65-66 coupes, Carroll Lipscombe placed 1st in the '67 fastbacks, Brenda Jones tied for 1st in the '67-68 coupes, Leslie Anthony placed 2nd in the '69 fastbacks, and Nellie Fischer placed 1st in the '88 coupes.

Brenda announced that the Channel 23 auction needs volunteers to sign up on January-February for next April's auction. There is a bank of 30 phones, operated in shifts of 7:00-9:30 pm and 9:30-12:30 am. Please give this consideration and the club will discuss the matter closer to the time. The television exposure could be valuable.

Kenny attended this week's Car Council meeting. The council will focus on legislation regarding clunkers and dead beat cars. Many clubs are having a difficult time finding a location for their shows. The council could provide a means for many or perhaps all of the clubs to band together at a permanent site for shows. Virginia Motorsports Park in Dinwiddie is happy to accommodate. The idea would be for a joint show with each individual club responsible for their own trophies.

Flyers are available for the up-coming CVMC show on September 16. There is no further news concerning the possible trip to tour the Norfolk Ford assembly plant. There were no technical questions.

Adjourned 8:40 pm.

WE'RE NOT IN KANSAS ANYMORE ...

The Saturday evening dinner excursion of the Central Virginia Mustang Club entourage took three ponies, a bull, and a bird on a 1½ hour tour of Rocky Mount and southern Nash and Edgecombe Counties. Following precise directions, left at the fourth stoplight, the group toured areas previously uncharted --- all because of an initial incorrect right turn that should have gone left. The herd became suspicious of the leaders when the group made a complete circle around the town water tower. How many times DID we cross those railroad tracks? Then under new leadership, the group went west on US 64 instead of east --- for ten miles before a safe reverse could be executed. Ponies and passengers alike began to run low on fuel.

Finding the chosen restaurant itself wasn't difficult once the correct turns and exits were accomplished. However, the chosen restaurant had a very long line by this time and the decision was made to eat at the restaurant next door, which offered no waiting. This should have been the first clue. The waiter had no difficulty taking the orders but much difficulty in delivering the meals as ordered. Some folks had completed their entree before anyone else received any food at all. Main meals were finally served (some quite cold) and then for the final touch, the salads arrived! These having been made personally by the waiter, who also taught us to drink the beverage served whether or not it was what was ordered. The bewitched evening was concluded by a club member using his personal vehicle (the bull, NOT a pony) to block two lanes of traffic to allow the remainder of the group to safely exit the restaurant parking lot together least someone straggle off alone and become lost. If laughter is the best medicine, this group has a fully stocked medicine chest!
