CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 116

## President's Perspective

Welcome Members,

I like to congratulate a couple members that went to Charlotte for the East Coast National Show. Debbie Shaver took third and Nellie took second. They had 328 Mustangs there.

We had a few members that got awards at the Sam's Club Show. I am Sorry, I couldn't remember who got what. Also we had a hot day at the All Ford Day.

This past weekend we had a lot of support from the club. We had 9 Mustangs, 2 Trucks, and 2 Olds. They were all registered with the Central Virginia Mustang Club. We won the most club members to pre-register club award. Debbie won a door prize: a can of goop. I took 3rd in the coupes. In 67 coupe Brenda got 2nd and Debbie took 1st. Carroll got 2nd in fastback. Nellie and Richard tied for 2nd. George took 3rd with his '72 Olds. and 3rd with the Hurst Olds. In the truck class Bob Goolsby got 2nd. Thanks for the club support. They Made a pedal car class for the three of us. I restored all three of them, but I took 3rd, Don 2nd, and Richard took 1st.

The July Meeting will go on as schedule July 3rd.

See you all Wednesday night,

Kenny Fischer, President

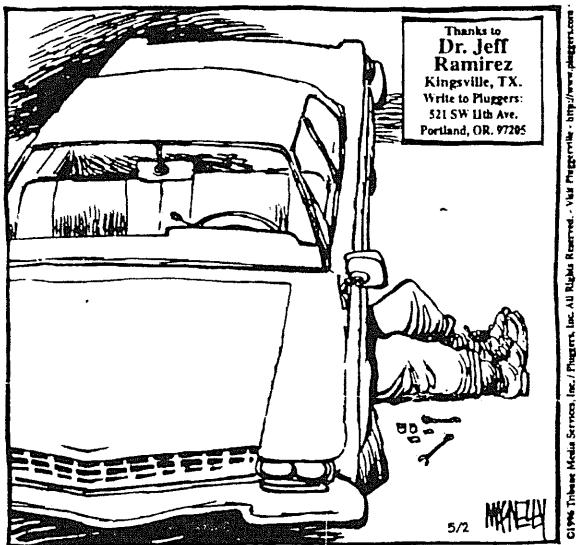

Happy Birthday to You,

Mail to discuss our up coming show.

Please bring Ideas!!

CENTRAL VIRGINIA MUSTANG CLUB  
May 1, 1996

The May meeting of the Central Virginia Mustang Club was called to order by President Kenny Fischer at 7:40 pm. There were no new members or guests present. Greetings were extended to members and their families with birthdays in May. Second Vice-President Terry Wagner reported 58 paid members. Treasurer George Cosier reported a beginning balance of \$1106.80 minus \$100 (St. Patrick's Day flags) for a final balance of \$1006.80. We may be in arrears for the telephone bill, as it seems to have been misplaced.

National Director Paul Oliver asked for support for the Mustang Museum, which has been incorporated in the state of Michigan with the hope that Ford will lend financial support. There are 50 cities being considered for the actual site. A \$5.00 donation will earn the donor a window sticker commemorating the Mustang Museum. Give donations to Paul and he will coordinate.

Kenny listed the following car shows:

May 3-5: East Coast National Show in Charlotte  
May 4: Mustang May Day, Louisa County Mustang Club  
May 4: AACA Show at the Fairgrounds  
May 5: Manassas Rod Run  
May 11: Late Great Chevy Club Show, Sam's Club  
May 12: Fredericksburg Street Rod Run  
May 18: All Ford Day  
May 19: Crewe Car Show & Swap Meet  
May 19: Show & Shine, Stafford County  
May 25: Gloucester Car & Craft Show  
June 7-9: Carlisle  
June 8: Greensboro Car Show  
June 8: RMA Show  
June 9: Orange County Car Show  
June 15: Ruritan Club Show at McGuire Vet Hospital  
June 23: Hooters, Southside  
July 13: Cavalcade of Cruisers  
August 10: Tri-City Cruisers Show  
August 17: Fluvanna Car Show  
August 17, 18: Rod Run to the Beach  
August 25: Hooters, Broad Street  
August 29-Sept 1: MCA 20th Anniversary in Atlanta  
September 14: CVMC at Willow Lawn  
September 28: Staunton Show  
September 22: Piedmont Community College  
September 28: Heart of Carolina Mustang Club Show, Durham  
October 19: Gloucester Car & Craft Show

Carroll Lipscombe arrived late to the meeting due to an apparent drug bust being conducted on the Henrico Turnpike and Laburnum Avenue. He reported 8 cars participated in the Azalea Parade. Thanks to Debbie Shaver, Nellie Fischer, and Karen Lane for the flags. Kenny mentioned that there is a new cruise night on Fridays at the Bullets/Amoco in Brandermill. Carroll mentioned an unusual car he saw recently at cruise night at Bill's Barbeque on Midlothian. The car is an '83 Volvo with a 5.0. Asked why he did such a thing, the owner grinned as he explained how much he enjoys the expressions on folks faces when he leaves them sitting at a stoplight. Nellie has received no information from the person regarding ordering more club jackets. Karen asked the club to chose a date for the annual picnic/.pool party to be held at Don Smith's house. July 13 was selected, with the start time set at noon until ??? Maps will follow. Brenda introduced the refreshments and doorprizes. Bonnie Fischer needs materials for the scrapbook. First Vice-President Don Lane would like to have a judges meeting at his warehouse. June 22 was selected, with a start time of 10:00.

Kenny listed the items from the bulletin board. Until recently, there was available a '67 convertible with a bench seat, a little rough but with potential. It was recently purchased by Susan & Paul(?) Morris. Congratulations and Good Luck! Kenny congratulated the recent show participants and winners from the Charlottesville Cruisers Show and the Yorktown Super K Show. We have several new sponsors, please check the newsletter listing. The club has received free tickets for the Richmond Industrial Show scheduled for May 22-23. Anyone is welcome to take however many they need.

The trip to Tangier Island is scheduled for June 1. The ferry boards at 9:30am with departure scheduled for 10:00 am and the return is

scheduled for 3:00 pm. The ride is about 1-1½ hours long. The fee is \$16.65 for adults and \$8.50 for children ages 8-13. Lew Stakes will meet us at the ferry to receive covered dishes, etc. for the cook-out following the tour. He will transport the food back to his cottage so refrigeration won't be a problem. He asks that we bring chairs. Lunch will be on our own on the island.

Tom Barnett will be having surgery on May 15 for recurring back problems. He will be at the HealthSouth facility. Please call before visiting.

Rich Nockta reports that the weatherstrip now available for '64½ - '68 model windshields are too thin. The new Ford weatherstrip works better. Kenny heard that part of the problem is that the glass in the windshields is also thinner.

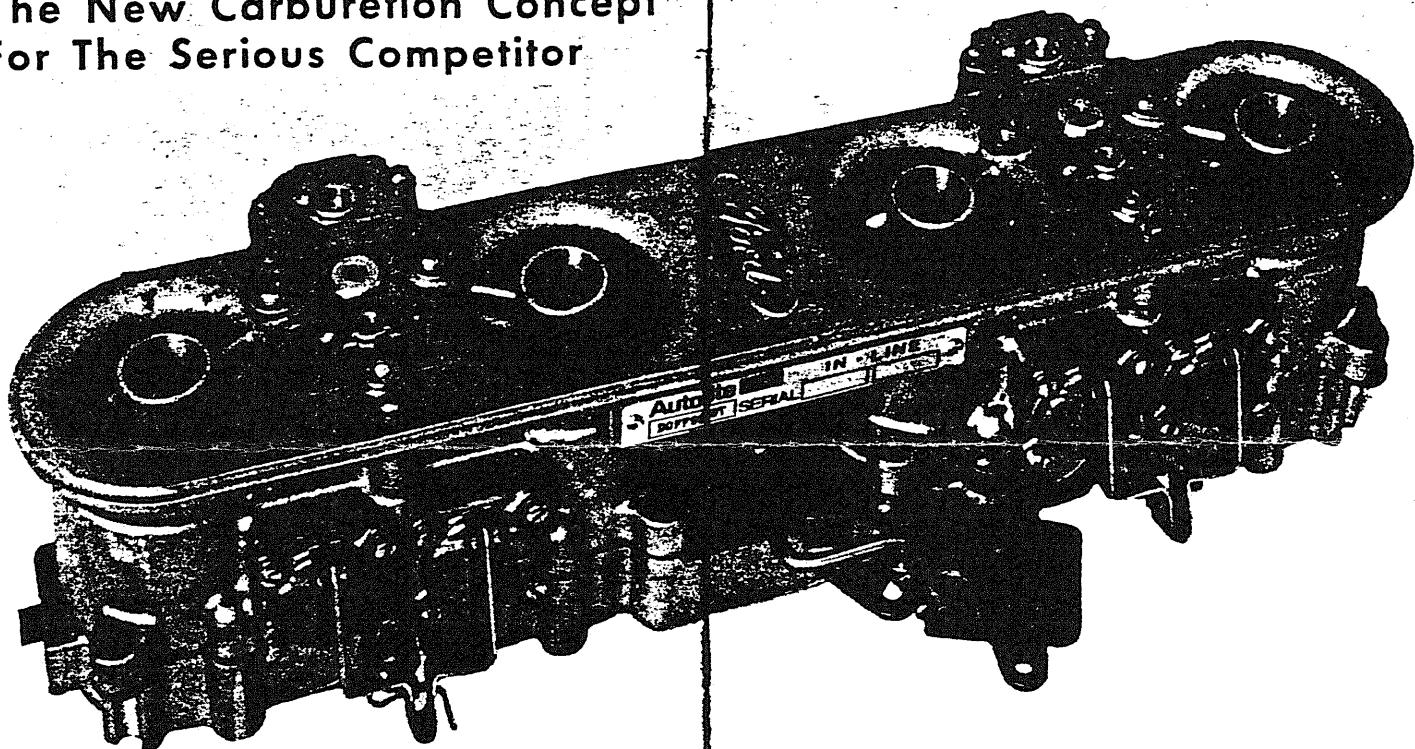

Adjourned 8:55 pm.

THE IN-LINE CARBURETOR STORY

FROM FORD MARKETING CORPORATION

# four in a row...for all-out go!

**The New Carburetion Concept  
For The Serious Competitor**

The In-Line Four-Barrel — a new competition carburetor configuration. Truly unique. Truly potent. Developed by Ford race research. And aimed straight at the all-out serious strip or track competitor — the dedicated craftsman who knows what to do with that potential extra margin of performance.

The In-Line Carburetor is a 4V unit unlike any other. Four barrels in a row ... not in a cluster. Spaced like the cylinders of an engine. For simpler manifolding. For more uniform air/fuel ratios. For "now" response. Makes sense, doesn't it?

Ford's Advanced Carburetion Group developed this In-Line design for use on the Company's V-8s. With a little savvy, it can be mated to other V-8 performance mills as well. We'll even tell you where to shop for adapting parts — read on!

Calibration mods? This design doesn't get in the way. Most metering components are readily accessible. And readily available, too. Many In-Line Carburetor components are standard parts from stock Ford 2V and 4V units. You can get 'em almost anywhere.

So think it over. Here's a new and more efficient design. With proven performance superiority. Available from over 7500 Ford and Lincoln-Mercury dealers across the country. Adaptable to all popular V-8 performance engines. Single or dual 4V layouts. Great calibration flexibility. And off-the-shelf parts availability.

**IF YOU'RE SERIOUS ABOUT GETTING THERE FIRST ON THE STRIP OR TRACK, THE IN-LINE CARBURETOR IS FOR YOU!**

WATCH FOR MORE OF THIS STORY IN THE NEXT FEW MONTHS.

Our thoughts and prayers have been with Carroll and Dot Lipscombe for the loss of his brother Ed Lipscombe. We are sorry to hear of this and if the club or any of the members can be of any help, we are all always here.

We wish fast and well deserved recovery for our friend, Tom Barnett who has come home from Back surgery. He would like to say thanks for the flower and the card. They have brighten up his day. Thanks !!!!!!!!

Congratulation to Bob & Rita Harding on their new grand-daughter Lindsey Nichole Harding born at chippenham on April 11th, 1996 weighting in at 9lbs 7oz.

HAVE FUN !
