PLEASE JOIN US FOR THE NEXT MEETING ON MAY 3, 2000 AT RICHMOND FORD, UPSTAIRS

CENTRAL VIRGINIA MUSTANG CLUB

April 5, 2000

The April meeting of the Central Virginia Mustang Club was called to order by President George Cosier at 7:35 PM. There were several new members or guests present. Bob Clark is a Mustang owner-wannabe. He received information concerning the club on the internet. His brother, Jeff Clark, accompanied him. Mike Rigsby is a senior at James River High School in Midlothian. His parents purchased a '68 Mustang for him from Terry Walton. Joe Thomas has a '84 convertible with a 5L 5-speed. His son, Seth, and daughter, Sarah, will help him restore the car.

Susan Morris reported 58 paid members. Please pay up! Annual membership dues are payable in January. She also listed the April birthdays for club members.

Treasurer Karen Lane reported a beginning balance of \$2162.37 plus \$181.00 (dues) minus \$24.24 (phone) minus \$52.94 (cards & postage) minus \$42.40 (flowers) minus \$90.00 (Pizza Hut) for a final balance of \$2133.79.

There has been no news from the folks who organize the cruise at Garden Ridge. In their inaugural year, the cruises started in mid-May. Cruises at Zero's in Hopewell will begin May 6 and cruises at Honeybee's, also in Hopewell, should be starting soon.

Mike Young reported there were 18 guests on the cruise to the Rainforest Café at MacArthur Center in Norfolk. The atmosphere was wonderful – trumpeting elephants, dancing gorillas, snakes, alligators, and realistic thunder & lightening storms – and real rain, inside the restaurant.

Lew reported there were 9 cars that participated in the St. Patrick's Day parade. The Azalea Parade is scheduled for April 15. Please sign the clipboard that is being circulated. The parade steps off at 10:30 AM. Bob Overbey asked the general membership if there was interest in doing a couple of small parades this summer in Blackstone. He and his daughter are involved with a church-sponsored camp for mentally challenged children. They would like to have a parade through the town of Blackstone on July 11 and August 7 (or 14?). It would step off about 6:00 PM. We would plan to eat at Sullivan's Tavern. Participation was approved by a show of hands.

National Director Paul Oliver solicited new members for the Mustang Club of America. Dues are \$30.00 annually. There is no news regarding the Mustang Museum. He has been working with the Virginia Blood Services in coordinating their schedule with our car show.

Herbert Hudson thanked David & Amy Carroll for the new drum for the raffle tickets.

Past-president Kenny Fischer had no news of vehicles for sale. Club member Tom Esshig (794-4223) announced he is having a Mustang clearance at his house. He has a '65 fastback 289 listed for \$9950.00 and a '65 convertible V-8 with factory air conditioning for sale.

George reported on the Adopt-A-Highway trash pick-up held last weekend. There were about 6 club members present, and lunch was provided at the Pizza Hut following the roadside work.

Bob Clark thanked Kenny Fischer for taking the time to help educate him concerning what to look for in a car as far as rust areas, etc. Mike Rigsby needs a recommendation for a body shop.

Head Judge Steve Shaver recently received a telephone call from Jack Bosic, National Assistant Head Judge for MCA. The kick-off MCA show for 2000 was held at the end of March in Pensacola, FL. There was an overwhelming number of 3rd and 4th Generation Mustangs (1979 – present), enough for a separate car show, and too few judges available. Jack was requesting some volunteers to judge or to be judge's assistants from our club because he knows we generally have a good showing at National MCA shows that are fairly close to Richmond. Don & Karen Lane participated in the MCA National show in Pensacola with their '65 fastback and received a Gold Award.

Brenda Jones gave a medical report on Carroll Lipscombe. He fell recently and is now in HealthSouth Medical Center in the Intensive Care Unit with what was originally diagnosed as pneumonia. Apparently the pneumonia cultures came back negative so the doctors have done tests to determine what is affecting his lungs, but the results won't be received for a couple of days. Please keep him in your prayers.

Adjourned 8:30 PM.
