## **CVMC HOLIDAY PARTY DECEMBER 8 5:30 PM, KING'S CHARTER CLUBHOUSE**

Bring your family for a fun filled evening to celebrate the holidays. The food is always great, the music is mood setting, and the children anxiously await the annual visit from Santa.

The club provides the main entrées. Side dishes and desserts are donations brought by club members.

When the visitor from the North Pole arrives, he will hand out gifts to the children. To prevent any confusion, please make sure your child(ren)'s first and last names are clearly marked on the package.

To help with the planning, **Donna Young** asks that you please RVSP. She may be reached at (804) 730-3993. If no answer or you reach the machine, please call **Linda Cosier** at (804) 271-2139

As we have in the past, we will be supporting *Toys for Tots*. The Marines collect unwrapped, new toys. **Please bring your donation to our December meeting or to the Holiday Party.**

## **PONIES NEEDED FOR THE MECHANICSVILLE AND THE CHESTER PARADES**

Your last two chances to prance your pony in a parade in the year 2001 are coming up this month. December 2 is the Mechanicsville Parade, which has a different route this year. (Hopefully, it won't be as cold as last year.) December 9 is the Chester Parade. Polish up your pony, deck it out for the holidays and show it off in one if not both of these parades. For details as to the meeting time and place, please contact **Llew Stakes**, the parade and cruise chairman, at (804) 262-5789.

## **ELECTION**

The election will be held at the December meeting. Regrettably, several candidates were omitted from the list of names provided in your November newsletter. A sincere apology to those folks! Included with this newsletter are two ballots showing the correct candidates. (The nomination committee has assured me that it is correct.) Should you wish to vote by mail, the ballot(s) should be mailed to the address on the newsletter and has to be received by Wednesday, December 5, to be counted. **Remember to vote!**

Minutes of Central Virginia Mustang Club Meeting  
held on 11/07/01 at Richmond Motor Co.

President George Cosier called the meeting to order at 7:28 p.m. All officers were present except for Susan Morris, Debbie Shaver and Mike Young. We had 1 visitor, Angie who has a 2001 cobra.

Karen gave a Treasurer's report. We started out the month with a balance of \$2,157.37. We had deposits totaling \$138.00 and expenses totaling \$889.92, leaving us a balance of \$1405.45, at the end of October. One of the expenses was for the New York Relief Fund, which we sent \$675.50. This was from the 50/50 and the silent auction at the car show.

George read a letter from the Virginia Blood Service thanking us for our Contributions at the show. We gave 30 pints and they saved 90 lives with the Donations.

George gave a report on the car club council's meeting last week. The DEQ (emission testing) tried to hold 2 meetings to discuss getting emission testing here in Richmond. Nobody showed up at either meeting. They have decided to adopt the EPA rulings on smaller emissions producers, like lawnmowers, string cutters, marine engines large equipment etc. instead of going after the cars right now.

George listed the shows that are coming up till the end of the year, and the Beginning of next year.

- Dec. 9 - Chester Xmas Parade 2:00p.m.

- June 13-16 - AACA Grand National - Fairgrounds

George gave the Gloucester results.

- Bob Overby - 1st in conv.
- Linda Cosier - 2nd in conv.
- Kenny Fischer - 3rd in coupes

George said the highlight of his day was seeing how Linda was going to get her lighthouse that she had bought home -- she decided to put the top Down on the convertible and put it in the back seat. The lighthouse was 6 ft. Tall and has a rotating beacon. George said the light was not rotating during the trip home.

### The Rudolph Song

Once upon a time there was a king in Lapland called Rudolph. He had bright ginger hair so his people called him Rudolph the Red.

Now Rudolph the Red was bad-tempered and argued a lot. He gave his poor wife, Gertrude the Green, a terrible time. No matter what she said he had to argue.

One winter's day Gertrude the Green looked out of the palace window and said, 'Oh dear, it's snowing again. You'll have to clear the footpath before mother comes to tea.'

'Humph!' Rudolph the Red grunted. He didn't fancy shifting snow and he didn't want Gertrude the Green's mother coming to tea.

'That's not snow. It's rain!' he argued. 'But it's white and fluffy and drifting,' Gertrude the Green tried to tell him. Rudolph the Red hid behind his newspaper and snapped, 'It's rain! Gertrude the Green became quite angry. 'Gertrude the Green knows snow, darling!' 'Yes,' retorted her husband. 'And Rudolph the Red knows rain, dear! 'What a great title for a song!' Gertrude the Green exclaimed.

**How would you get four reindeer in a car?**

Two in the front and two in the back!

**And how do you get four polar bears in a car?**

Take the reindeer out first

**Where do you find reindeer ?**

It depends on where you leave them!

**What reindeer can jump higher than a house?**

They all can! Houses can't jump!
