CVMC NEWS

21st Annual Mustang & Ford Show! Well we did it! The 21st Annual Mustang & Ford Show is in the books.

We had a new location this year and I would like to thank The SIMON Company who owns Virginia Center Commons Mall for having us this year. The Marketing Director at the mall, Mark Bowen, told Dave Dickey that he was very impressed with the show. CVMC hopes this is a good sign and that we will be invited back again next year. Stay tuned.
